If the grievant has not submitted a written grievance with this time period, the grievance will be deemed to have been resolved.

3.2 Within ten (10) days after receipt of a written grievance by the immediate supervisor, a personal conference with the other party shall take place upon the request of either the grievant or the supervisor. Within fifteen (15) days after receipt of the grievance, or ten (10) days after the date of the Level I meeting, whichever is later, the supervisor shall render a written decision to the grievant and shall transmit a copy to the Union.

Section 4. Formal Level II: Police Captain

4.1 If the grievant is not satisfied with the disposition of the grievance at Level I, or if no decision is rendered within the designated time period, the grievant may forward the written grievance to the Police Captain within ten (10) days after the decision at Level I or twenty (20) days after the grievance was presented to the immediate supervisor, whichever is later.

4.2 Within ten (10) days after receipt of the written grievance by the Police Captain, a personal conference with the other party shall take place upon the request of either the grievant or the Police Captain. Within fifteen (15) days after receipt of the grievance or ten (10) days after the date of the Level II meeting, whichever is later, the Police Captain shall render a written decision to the grievant and shall transmit a copy to the Association.
Section 5. Formal Level III: Department Head or Designee

5.1 If the grievant is not satisfied with the disposition of the grievance at Level II, or if no decision is rendered within the designated time period, the grievant may forward the written grievance to the Department Head or his/her designee within ten (10) days after the decision at Level II or twenty (20) days after the grievance was presented to the Police Captain, whichever is later.

5.2 Within ten (10) days after receipt of the written grievance by the Department Head, a personal conference with the other party shall take place upon the request of either the grievant or the department head. Within fifteen (15) days after receipt of the grievance or ten (10) days after the date of the Level II meeting, whichever is later, the department head or his/her designee shall render a written decision to the grievant and shall transmit a copy to the Association.

5.3 In those cases where a “grievance” regards a disciplinary proceeding which is both subject to the grievance procedure and which constitutes a proposed deprivation of property giving rise to a pre-disciplinary proceeding in accord with Skelly v. State Personnel Board, the subject employee shall commence his/her grievance at this Level III. The proceeding before the department head or designee shall constitute both an exhaustion of the Level III grievance, and provision of any due process-mandated pre-deprivation proceeding.

Section 6. Formal Level IV: Arbitration

6.1 If the grievant is not satisfied with the disposition of the grievance at Level III, or if no decision is rendered within the designated time period, a grievant may forward a written grievance to the Director of Human Resources, proposing that arbitration be undertaken.

6.2 Said written grievance request for convening of arbitration shall be considered timely only if received by the Director of Human Resources no later than ten (10) days after service by the department head/designee of the Level III decision or twenty (20) days after the grievance was presented to the Department Head or designee, whichever is later. Said request for arbitration shall clearly state the provisions of the MOU and/or written rules, regulations or procedures affecting terms and conditions of employment, which have been allegedly violated. The arbitration proposal shall also set forth a detailed statement by the grievant containing all facts then known to the grievant which support his/her claim of an MOU/rule or regulation violation. A general or specific denial of wrongdoing or claim of misconduct shall not be sufficient. The arbitration proposal shall be signed by the grievant. Signature by a representative shall be insufficient.

6.3 Within ten (10) calendar days of receipt by the Director of Human Resources of a timely grievance, the parties shall confer by writing, telephone or in person, as regards selection of a mutually agreeable arbitrator. If said meeting either does not occur or if said meeting does not result in the selection of an advisory arbitrator, then within fifteen (15) calendar days of receipt by the Director of Human Resources of the timely grievance, the Director shall mail to the State Mediation and Conciliation Service, a request that a list of seven (7) qualified potential arbitrators be sent jointly to the grievant and to the City.
6.4 Within ten (10) calendar days of mailing by the State Mediation and Conciliation Service of such list, the parties shall by telephone or other mutually acceptable means, select an arbitrator by means of alternate striking of names until one name remains. Said individual shall be the arbitrator. Determination of which party shall make the initial strike shall be by lot.

6.5 Within five (5) calendar days of said selection process being completed, the Director shall mail written notice to the State Mediation and Conciliation Service of the identity of the individual mutually selected to hear the grievance matter.

6.6 The hearing shall commence on a date mutually agreeable to the parties and to the arbitrator, but in no case greater than 120 calendar days after selection of the arbitrator, unless otherwise mutually agreed to by the parties.

6.7 In those arbitration proceedings, which are non-disciplinary, the burdens of proof and production of evidence shall be upon the grievant. The ultimate issues in such cases shall be whether or not proof by a preponderance of the evidence supports a finding that a specific written section of the MOU and/or rules and regulations affecting terms and conditions of employment, has been violated, and if so, the nature of the appropriate remedy.

6.8 In those cases regarding disciplinary matters involving the deprivation of property, the burdens of proof and production of evidence shall be upon the department and shall be by a preponderance of the evidence. In such cases, the ultimate issues shall be as follows:

1. Does a preponderance of the evidence support a finding that misconduct did occur?

2. If so, was the disciplinary decision a reasonable exercise of the discretion vested in the appointing authority?

3. If yes, the discipline shall be sustained.

4. If no, the discipline shall be subject to modification.

6.9 1. All arbitration hearings shall be closed to the public unless the employee requests, in writing, no later than five (5) calendar days before the hearing, that the hearing be open.

2. Subpoenas (no subpoenas duces tecum) shall be issued by the arbitrator at the request of either party. State civil roles governing the issuance and validity of subpoenas shall also govern the issuance and validity of subpoenas issued herein.

3. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely on in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection.
in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil and criminal actions. Irrelevant and unduly repetitious evidence shall be excluded.

4. The hearing shall proceed in the following order:

a) The department imposing discipline shall be permitted to make an opening statement.

b) The appealing party shall then be permitted to make an opening statement.

c) The department imposing disciplinary action shall produce the evidence on its behalf.

d) The party appealing from such disciplinary action may then offer his/her defense and offer his/her evidence in support thereof; the employee bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted.

e) The parties may then, in the above order, respectively offer rebutting evidence, unless the arbitrator for good cause, permits them to reopen and offer evidence in their case in chief.

f) Oral closing arguments shall be permitted. Written briefs may be permitted at the discretion of the arbitrator. The department shall have the right to open the oral closing arguments followed by the employee. The department shall then have the right to reply.

g) The orders of presentation and burdens of proof shall be reversed in those cases where non-disciplinary grievances are heard.

6.10 The arbitrator shall determine relevancy, weight, and credibility of testimony and evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the arbitrator, for good cause, otherwise directs. However, both parties shall be permitted to designate an investigator or assistant to be present at the hearing, even if such person is or may be a witness. The arbitrator shall render judgment as soon after the conclusion of the hearing as possible but in no event later than thirty (30) calendar days after submission of closing arguments. The decision shall set forth which charges, if any, are sustained and the reasons therefore. The decision shall set forth findings of fact and conclusions of law. The arbitrator’s decision shall be binding in disciplinary cases regarding termination, reduction in rank and suspension without pay, with the City Administrator retaining jurisdiction to make a final determination in non-disciplinary grievances as set forth below.

6.11 With respect to non-disciplinary grievances only, within thirty (30) calendar days of the receipt of arbitrator’s findings and recommendations, the City Administrator shall adopt,
amend, modify or reject, in whole or part, the arbitrator’s findings and/or conclusions. Prior to making a decision which rejects or modifies in whole or in part, the findings and/or recommendations of the arbitrator, the City Administrator shall review the transcripts of the arbitration hearing. The City Administrator shall not conduct a de novo hearing. The decision of the City Administrator shall be administratively final and conclusive and is subject to the provisions of Code of Civil Procedure, Section 1085. Copies of the City Administrator’s decision shall be served on the grievant and the department and shall be filed, along with the arbitrator’s recommendations and finding.

6.12 The City shall bear the cost of a mandatory court reporter. The City shall bear the cost of transcripts that are required by the City Administrator or the arbitrator. Each party shall bear its own costs where the ordering of transcripts is a voluntary act. Each party shall bear its own witness and attorney fees. Additionally, each party shall equally share all fees and costs billed by the arbitrator, unless the arbitration arises in the context of the grievant’s right to procedural due process. Nothing in this section shall be interpreted to require the grievant to individually pay for the administration of a Skelly hearing, or arbitration arising therefrom, where the grievant maintains such due process rights.

6.13 It is specifically agreed and acknowledged by the parties that failure by the grievant to strictly comply with the time limitations for taking action in connection with review of a grievance, shall be considered a jurisdictional defect and shall result in a waiver by the grievant of any and all appeal rights, regardless of how brief or minimal is the failure to comply with the time limitations. The department shall not be required to show or prove the suffering of any prejudice as a condition precedent to strictly enforcing the time limitations described herein. In any case where the department or City does not strictly comply with the time limitations described herein, then the grievant’s remedy shall be movement of the grievance process to the next higher level. In no case shall failure by the department/City to comply with the time limitations described herein, result, in and of itself, in a finding adverse to the department/City.

6.14 In any case where a party or potential party disputes the arbitrability/jurisdiction of a grievance, said dispute shall not be resolved by the arbitrator, but shall be first resolved through civil proceedings.

Section 7. Formal Level V: City Administrator or Designee

7.1 Subsequent to Level III (Where Advisory Arbitration is not Elected)

a. If the grievant is not satisfied with the disposition of the grievance at Level III, or if no decision is rendered within the designated time period of Level III, the grievant may forward the written grievance to the City Administrator or his/her designee within ten (10) days after the decision at Level III or twenty (20) days after the grievance was presented to the Department Head or designee, whichever is later.

b. Within ten (10) days after receipt of the written grievance by the City Administrator, a personal conference with the grievant shall take place upon the request of the grievant or the City Administrator. Within fifteen (15) days after receipt of the grievance or ten (10) days after the date of the Level III meeting,
whichever is later, the City Administrator or his/her designee shall render a written decision to the grievant and shall transmit a copy to the Association.

c. The decision of the City Administrator shall be final and binding, and is subject to the provisions of Code of Civil Procedure, Section 1094.6.

d. Copies of the City Administrator’s decision shall be filed in the employee’s personnel file, unless the matter involved discipline and the discipline was not upheld by the City Administrator.

Section 8. General Provisions.

8.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum, and every effort should be made to expedite the process.

8.2 Failure by the grievant to meet any of the specified time lines shall constitute a withdrawal of the grievance. Failure by the City to meet any of the specified time lines shall entitle the grievant to appeal the next level of review.

8.3 The time specified, however, may be extended by mutual consent.

8.3.1 The grievant is entitled to representation of his/her choice at any point in the grievance procedure.

8.4 Any member of the unit may at any time present grievances to the employer and have such grievances adjusted without the intervention of the exclusive representative as long as the adjustment is not inconsistent with the terms of this contract; provided that the City shall not agree to a final resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

8.5 Neither party shall take reprisals against any member of the Association, Association representative, management person, or any other participant in the grievance procedure by reason of such participation.
