Equestrian Canada Statement of Principles

Equestrian Canada, the national equestrian federation of Canada, supports adherence to the humane treatment of horses in all activities under its jurisdiction.

“Equestrian Canada is committed to: upholding the welfare of all horses, regardless of value, as a primary consideration in all activities; requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment; ensuring that owners, trainers and exhibitors, or their agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose; providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure; providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives; continuing to support scientific studies on equine health and welfare; requiring owners, trainers and exhibitors to know and follow their sanctioning organization’s rules, and to work within industry regulations in all equestrian competition; and reviewing, revising and developing competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.”

Eliminations: The "2 Refusal Elimination Rule" in all jumper, hunter and equitation classes is followed at Southlands Riding Club. Jumpers will be scored under FEI Table A Article 238.2.2 unless otherwise specified. The competitor has the right to jump a single obstacle after retiring or after being eliminated provided that the obstacle is part of the course of the current competition (this does not apply to elimination resulting from a fall).

Falls: In the case of a fall of an Athlete anywhere within the grounds of the event during the hours of competition operation, the Athlete must be checked by the Competition's medical service, before the Athlete may continue to compete in the next round or Competition. The competitor is solely responsible for ensuring the onsite medical assessment takes place. This rule is applicable to all competitors (including foreign) at EC-sanctioned events and applies to falls/accidents that occur at the event location. Jumpers: In the event of a fall of an Athlete and/or Horse at any time from the moment the Athlete/Horse combination enters the Competition arena up until the moment they cross the starting line in the correct direction, whether or not the signal to start has been given, the combination will not be permitted to start in the round or Competition in question and the bell must be rung accordingly, the 45-second countdown will not be interrupted. In case of a fall before crossing the start line, score will be recorded DNS.

Concussions, Accidents & Return to Play: In the event of a fall/accident where a concussion can be reasonably suspected, the competitor must receive medical clearance by qualified medical personnel on site before continuing to compete. The competitor is solely responsible for ensuring the on-site medical assessment takes place. Should a competitor refuse to be evaluated, they will be disqualified from the competition. If on site qualified medical personnel suspect a concussion or believe the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor will be suspended from competition and placed on a Medical Suspension List until medically released. Competitors will remain on the EC Medical Suspension List until they submit an EC Return to Play Form, signed by a licensed physician, to EC. No competitor shall compete at EC sanctioned competitions while on the EC Medical Suspension List and competition organizers may refuse entry to anyone currently on the list.

Horse Show Office: The horse show office will be open on warm-up day from 8:00am to 6:00pm. On show days, the office opens one hour prior to the start of the first class and will remain open until 30 minutes following the final class of the day.

All horses are required to have a BioSecurity Form (located online and at back of Prize List) submitted to the show office prior to receiving their competition number. All show participants are requested to practice good disease prevention practices. Traveling and showing horses are at an increased risk for contracting and spreading contagious diseases. All horses entering the show ground must not have been in contact with any sick horses within the last 15 days. Any horse that has been sick or exposed to an infectious disease within the last 15 days must have their attending veterinarian contact the Southlands Riding Club veterinarian prior to entry to the show grounds. All horses while on the show ground are expected to have their temperatures taken and recorded on a daily basis during the show. Please have temperature records available upon request. We ask that any horse with a rectal temperature above 38.5 C (101.8 F) be reported to show management and/or show veterinarian immediately. The show veterinarian will examine any horses with an elevated temperature or other signs of illness prior to being allowed to show. Any horse identified to have or is suspected of having a contagious disease will be removed to the isolation area. We ask that braiders/grooms/riders use the hand sanitizers, provided in the stall area after handling any horse. Please avoid any direct or indirect contact between horses, in particular nose to nose contact and use of any common feed/ drinking buckets. The early detection of any contagious disease is the key to prevention of a disease outbreak. Thanks for your cooperation.

Farrier: A farrier will be on-call for warm-up day and competition days. Contact information will be posted in the stabling area, at the gates and in the show office.

Equestrian Canada Entry Agreement: Per Article A801, every entry at a Southlands Riding Club competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach or rider and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. Do not participate in this EC- sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition.

Exhibitors further expressly and irrevocably waive and release any rights in connection with such use of photographs, likeness, films, broadcasts, audiotapes or videotapes, including any claims for invasion of privacy, rights of publicity, misappropriation, or libel.
