In this stop-motion-animated film from writer/director Wes Anderson, an outbreak of canine flu in Japan leads all dogs to be quarantined on an island. A boy (voice of Koyu Rankin) journeys there to rescue his dog Spots (Liev Schreiber) and gets help from a pack of misfit canines who have also been exiled. His quest inspires a group of dog lovers to expose a government conspiracy. The voice cast also includes Bryan Cranston, Edward Norton, Bill Murray, Scarlett Johansson, Tilda Swinton, Bob Balaban, Greta Gerwig, and Yoko Ono.

Directed by Wes Anderson **Starring** Bryan Cranston, Koyu Rankin, Edward Norton **Running Time** 1 hr 41 mins

If you could know the truth about the threat of climate change—would you want to know? Leonardo DiCaprio goes on a journey, traveling to five continents and the Arctic to witness climate change firsthand. He goes on expeditions with scientists uncovering the reality of climate change and meets with political leaders fighting against inaction. He also discovers a calculated disinformation campaign orchestrated by powerful special interests working to confuse the public about the urgency of the growing climate crisis. With unprecedented access to thought leaders around the world, DiCaprio searches for hope in a rising tide of catastrophic news.
