

# The TROVE

A collection of designer delights and treasured finds.

## Woven Threads

Oh-so-crafty Melbourne designer JESSICA BLUME has been making these woven chairs that combine modern furniture design with traditional arts and crafts. She also creates beautiful tapestries and wall hangings that explore her love of weaving. [jessicablume.com](http://jessicablume.com)

## Tick Tock

Understated style is at the forefront of the unisex BLAAX watches. Leather, Japanese stainless steel and hardened mineral crystal make for a timepiece for design lovers. [blaa.com.au](http://blaa.com.au)

## A Fine Fetch

Art meets fashion in the trans-seasonal, sans-trends range of scarves from DOG&BOY. The bold and punchy colours and prints will take you from street style to sophistication. [dogandboy.com](http://dogandboy.com)

## Paradise Found

Catherine Martin brings her signature visual exuberance and storytelling style to her third collection for Mokum, PARADISO – a celebration of tropical colour and vibrancy. It's also her first indoor/outdoor range, with the dramatic and durable textiles inspired by her experience developing fabrics for the Faena Hotel project. **Stoned Immaculate**

STONED CRYSTALS give a modern twist to the age-old power of crystals with their exclusive range of geometric shapes and fashion-forward designs. Transform your home and office space with the unique healing and relaxing properties of Black Hex Obsidian, Rose Quartz Love Triangles and Amethyst Chevronica (pictured). Each crystal comes in a beautifully packaged chest, complete with a unique energy card. [stonedcrystals.com](http://stonedcrystals.com)

**Designer Dining**

With chic rose gold and shiny black colour choices, this contemporary range of cutlery will make the most stylish of dining settings for a classy affair. Each 16-piece collection has been made using stainless steel with a premium titanium coating. \$120 from 2K LABWARE. [2klabware.com.au](http://2klabware.com.au)

**Modern Exotic**

Brisbane-based TIPI INTERIORS is a start-up with a story to tell. Founded by Haddy McMicking and powered by a team of creative friends and artisans, this beautiful collection of furniture is inspired by wanderlust, exotic destinations and well-travelled style. Think deck chairs, dhurrie rugs, ceramics and table linen. [tipi-interiors.com.au](http://tipi-interiors.com.au)

**Be My Vallentine**

Hand-painted and hand-embroidered doonas and pillowcases that make our hearts happy. That's where it's at with THE VALLENTINE PROJECT. Headed up by artist and designer Bianca Vallentine, the collection of bedlinen offers one-of-a-kind, transformational style for the bedroom. ### Cultured Collective

QUERCUS & CO have shared with us their latest collection of fabric and wallpaper, the OMEGA COLLECTION. Named after the Omega Workshops – an art and craft collective set up by Roger Fry, Duncan Grant and Vanessa Bell in Bloomsbury in 1913 – the collection features four hand-painted designs in popular colours from the 1920s. [quercusandco.com](http://quercusandco.com)

### Rise and Shine

Made for stylish babies – with a decidedly un-babyish style! – the RISER collection of certified organic cotton muslin wraps feature gender-neutral, digitally-printed designs including monochrome prints and lush green tropicals. [earlyriser.com.au](http://earlyriser.com.au)

### Slow & Steady

The woven blankets from SLOWDOWN STUDIO have caught our fancy for their playful prints and edgy patterns. This creative collaboration between Sydney fashion designer Claire Tregoning and LA-based graphic designer Marc Hendrick brings together artists from around the world on small-scale, limited-edition designs. They're just as perfect when thrown over the bed as they are used as a picnic blanket or wall hanging. [slowdownstudio.com](http://slowdownstudio.com)

### Blooming Lovely

Spring styling is looking delightful with the handmade flower frames from RAINY SUNDAY. Made with colour coated steel and sustainably grown Fijian Cedar, they're perfect for a posy. Display them singularly or grouped together, from \$25. [rainsunday.com.au](http://rainsunday.com.au)

### Sleek Sophisticate

The MUJJO range of leather folios for 12" MacBooks have been designed for easy travel and portability, and boast a distinctly stylish finish. The carry-on handle is an exceptionally intuitive and comfortable way to pick up and carry your computer, and the integrated double storage compartments allow you to store your daily essentials.
