Dear Alumni, Parents and Friends,

As I start my fourth year as President having served six years on the Board of Trustees, and being a proud member of the Class of 1970, several things come to mind in reflecting upon the past year at Archbishop Williams:

First – our enrollment has grown by 70 since FY 2014 to a total of 586. This represents an increase of 13% and our largest student body in nine years.

Second – the positive impact of more than $4 Million invested in the campus including new heating and air conditioning systems, the repair and renovation of Nazareth Hall, the new Music and Art Center, the growth of our 7th and 8th Grade Program and improvements to our auditorium.

Third – the overall 65% growth in philanthropy and gift support. Our first-ever “Bishops’ Ball” drew 325 guests and generated a net $60,000 as part of $650,000 raised which enables us to continue to provide a first-class education at the most affordable cost among our Catholic school competitors.

Fourth – and most important, the tremendous, tangible difference that each of us makes individually and all of us make collectively as alumni, parents, faculty, staff and friends on the lives of our students each and every day. Together we make it possible to proudly and confidently proclaim “Futures Begin at Williams…”

These are but a few of the exciting facts you will discover as you read this 2014-2015 Archbishop Williams Annual Report of Donors…By the Numbers! Join with us in celebrating the success and impact of this past year as I continue to express my thanks and the appreciation of our entire school community for YOUR support of our Mission.

As these facts and figures irrefutably demonstrate, with your considerable and invaluable participation we are coming off a very successful year. Please join with me, and with us as we strive to bring Archbishop Williams to even greater heights in 2015-16 and beyond.

Gratefully,

Dennis M. Duggan, Jr., Esq. ’70
President

CONTINUED ON PAGE 8
In September members of the Archbishop Williams community gathered at Port 305 in Quincy’s Marina Bay to celebrate last year’s philanthropic accomplishments and kick-off the 2015-16 school and giving year. The picturesque venue overlooking the water provided a perfect setting and opportunity for the School’s leading donors, alumni, parents, faculty and friends to share in and experience the excellence that is Archbishop Williams High School.

President Dennis M. Duggan, Jr., Esq. ’70 thanked the donors for their invaluable support and gave an update on the many wonderful things happening at the School, highlighting student successes in academics, athletics, arts and faith service. He also announced the addition of a new, exciting “state of the art” student-athlete training facility in the works for next summer.

Seniors and stand-out students Jon Hamilton, Jaclyn Shuttleworth and Kathleen Pumphrey each expressed what donor support has meant to their education, thanking the crowd for their ongoing assistance. Hamilton then captivated the group with his report on their presentation at NASA’s International Space Station Research Conference. The AWHS team finished as finalists among 300 high schools from across the nation in a “Genes in Space” competition.
Trustee Tony Agnitti ’80 spoke from the heart as only he can about what it means to make a commitment to philanthropy and why he continues to make supporting AWHS a priority in his life.

Former Trustee Helen Flanders ’67 received a heartfelt and warm recognition for her long and distinguished service on the AWHS Board of Trustees (and its predecessor advisory board). We thank Helen for her dedication, wise counsel and invaluable contributions to our School.

Associate Director of Advancement, Lindsay Simpson was pleased to see the donors’ efforts acknowledged, “It is important that all of our school’s donors understand how critical their support has been, and how their promise of future giving is essential to our success and our continued ability to produce such a quality product at Archbishop Williams.”

AWHS holds a number of special events throughout the year for its donors and giving society members. The Williams Society reception (for donors giving $1,000 or more) is held in February and our signature annual fundraising event, “The Bishops’ Ball – A Celebration of Excellence,” will be held on April 2, 2016.

If you are not already a member of the Williams Society please consider joining this group of important leaders in supporting AWHS. We hope to see you at the Williams Society gathering and at this year’s Bishops’ Ball.

ABOUT WILLIAMS

Archbishop Williams High School is a Catholic co-educational high school which educates young men and women spiritually, academically, morally, and physically. Archbishop Williams is part of a Christian community that integrates learning with faith and focuses on developing the whole person.

BY THE NUMBERS

586 REASONS TO BELIEVE FUTURES BEGIN AT WILLIAMS

Richard Cardinal Cushing and the Sisters of Charity of Nazareth established Archbishop Williams High School, which opened in 1949. The School derives its name from the Most Reverend John Williams (1822-1907), first Archbishop of Boston. Archbishop Williams seeks students who are eager to contribute to the school community and those who will take advantage of the many spiritual, academic, athletic, and co-curricular activities offered. Archbishop Williams seeks to provide an affordable Catholic college preparatory education and to graduate capable and confident young people who are responsible members of their communities and who are guided by the values of the Catholic Church.

WILLIAMS AT A GLANCE

ACADEMICS
As a co-educational college preparatory school educating students in Grades 7-12, Archbishop Williams’ curriculum is offered on four levels, each of which is designed to personalize the educational experience. All levels prepare students to attend a four-year post-secondary educational college or university.

ATHLETICS
The Archbishop Williams interscholastic athletic program is an integral part of the School’s total educational offering. The tradition of athletic excellence lives on in today’s student-athletes.

CO-CURRICULARS
AWHS offers many co-curricular clubs and organizations enabling the students to expand their interests beyond the classroom. These activities often become the training ground for students who aspire to become leaders, artists, performers, and more.

CAMPUS MINISTRY
The purpose of Archbishop Williams’ Campus Ministry program is to foster and nurture all members of our school community as they learn to live by the goals of our mission statement. As part of a Christian community, we integrate learning with faith while developing the whole person – spiritually, academically, morally and physically.

SERVICE
In keeping with the School’s Mission, Christian service provides a way for students to “put their faith into action.” Students must complete a total of 70 hours of community service by the end of the third term of their senior year.

ADMISSIONS
To learn more about Archbishop Williams High School or how your child’s Future can Begin at Williams, please contact Chief Admissions Officer, Brett Marcotte at bmarcotte@awhs.org 781-535-6051, or visit the Williams website at www.awhs.org/admissions.

OPEN HOUSES
Interested families can attend an Open House session, which will include a campus tour, information about the academic, athletic, social and service programs and a chance to speak with administration and faculty about how Your Future can Begin at Williams. (October & November)

WEDNESDAYS AT WILLIAMS
Prospective students will have the opportunity to shadow a current AWHS student while visiting classes, dining in the cafeteria, and hearing about the Campus Ministry, athletics and co-curricular activities offered on campus. Sign up for Wednesdays at Williams, October through December, at www.awhs.org/visit.

Class Agents

CLASS AGENTS ASKING:

We would like to thank our Alumni Class Agents who help with our Annual Fund. Each year they come together to help sign thousands of letters and make individual calls to classmates seeking support. Their participation is greatly appreciated by the entire Archbishop Williams community. Thanks to the wonderful volunteers listed herein our Annual Fund continues to grow and provide critical resources for current and future students.

Alumni Notes

CLASS REPORTERS

We extend thanks to all of our Alumni Class Reporters who provide hours of important service to their alma mater by staying in touch with classmates and letting us know what is going on in their lives. These stories are the ties that bind and demonstrate that “Futures Begin at Williams.”

Important Note: The Class Reporter program has grown to the point where we simply cannot publish all of the marvelous stories and updates we receive. Going forward, we will update Class Notes on a regular basis on the Alumni Section of the Archbishop Williams website. We encourage you to check our website, www.awhs.org for Class Notes, news and updates.

The following is a list of current Class Reporters. You may contact them directly or send your news to Steve Wisner, Alumni/Parent Relations and Annual Fund Manager at swisner@awhs.org.

This 2014-2015 annual donor report, “Archbishop Williams High School – By the Numbers” makes it abundantly clear that our School is vibrant and excelling in all areas thanks, in large measure, to the continued growth in annual leadership giving, major gifts and special event support.

To recognize and reflect even stronger philanthropic support that directly impacts the lives of the young men and women of Archbishop Williams, our traditional gift societies have been updated.

While every gift to Archbishop Williams is important and highly valued, beginning with this new fiscal year – from July 1, 2015 to June 30, 2016 – we now offer seven levels within our leadership gift program, the Williams Society that reflect total annual giving of more than $1,000. We are also pleased to introduce five levels of recognition for annual giving of $1 - $999, and announce our new Legacy Society for planned giving.

With great appreciation for all who helped our students this past year, we ask that you join us this year at the highest level possible given your circumstances.

### THE WILLIAMS SOCIETY
