

Friday evening Oct 17-45

Dear Bradburn,

I have word this evening that my mother is very sick, and I leave in the morning for Athol.

I think I shall probably remain there a few weeks—if so I will write you—and shall depend upon hearing often from you.

Please present my respects to Mrs. Hildreth and Mrs. Sargeant, and tell them the reason I could not call upon them again.

In haste, Yours most truly,

Lysander Spooner
