

Office of the Am. Abolition Soc.

48 Beakman St. New York. Dec 11. 1855

Dear Sir

Yours of the 22d is rec.

As to our Committee taking more of your constitutional argument, I am not authorized to say and must postpone a definite answer until I shall have ascertained.

The only difficulty I apprehend, will be scarcity of funds. We mean to keep the work on [?]hand[?], & it is constantly advertised in our paper, of which we issue 10,000 copies monthly, & are in process [sic] of sending to all the lawyers in the free states. When in Boston W. [?]Tassau[?] and myself took of W. Marsh 34 copies, of which 17 are on hand, & we have given away, here \_\_\_\_\_ as many as we have sold.

Yours truly      Wm Goodell
