My dear Friend,

I return your copies of "the World" with many thanks, having read with great pleasure, the reports of Rabbi Wise's "Lectures" therein contained. They are truly searching and profound in their criticisms. I wish we could have them, or something like them here in connection with our "Radical Club."

I have looked every where among my documents but in vain, for that work of your friend N.P. Rogers which you wanted. I cannot find it, and will have learned it to some one who has failed to return it.

Yrs truly,
John T. Sargent
