BITHGROUP Technologies Hires Shenice Harris as Regional Identity Services Manager *Strategic Hire Brings New Leadership to Growing Technology Team*

Baltimore, Maryland – BITHGROUP Technologies is thrilled to announce the addition of Shenice Harris as Regional Identity Services Manager. Ms. Harris’s strong leadership and management skills will continue to support BITHGROUP’s strategic development by assisting to meet project commitments.

With over ten-years of experience, Ms. Harris is an accomplished professional leader, who has contributed to the growth and success of a diverse range of integrated organizations ranging from patient-centric companies to government divisions.

“BITHGROUP Technologies would like to welcome Ms. Shenice Harris to our team,” said Harry Holt, Vice President of Operations. “We see opportunities for Ms. Harris to transfer her operational knowledge of Medical Practice Management to improve our business processes within our Identity Services verticals.”

As innovators BITHGROUP seeks to overcome complex challenges through the connection of the two most powerful tools - people and technology. In her role, Ms. Harris will ensure that projects are structured in compliance with clients & partners, and will set goals, budget for completion and manage project staff.

A native of Baltimore, Md, Ms. Harris earned a B.S. in Business Administration from University of Baltimore and is a Certified Change Management Specialist (CCMS) and Six Sigma Lean Professional.

“I’m really excited to be joining the team as the Regional Identity Services Manager,” said Harris. “I’ve always been interested in biometrics, and I am honored to join BITHGROUP and apply my operational experience to my new role. I am amazed at the incredible work BITHGROUP does with information technology.”

Ms. Harris is a tactical hire for BITHGROUP’s growing and accomplished organization. Most recently, President and CEO, Robert L. Wallace, received the 2017 Maryland International Business Leadership award from the World Trade Center Institute. The award honors leaders who have taken their companies as well as the State of Maryland to new global heights.
