

Challah in Your Cubby Fundraiser

Challah in Your Cubby is a way to bring the feeling of Shabbat into your home. Delicious challah, delivered to your child's cubby, is a wonderful way to bridge the Shabbat experience at school and in your home, integrating school with family life. The funds raised from challah sales are used to support PA driven programs and community activities at the JCC all year, including: All School Havdalah programs, class Shabbat dinners, and class holiday parties.

Child's name: _____

Classroom: _____

Circle the number of challot for your child to take home (\$225 per challah):
