

PUBLIC SERVANTS' PRAYER

LOCAL GOVERNMENT INITIATIVE

PRAY

HONOR

SERVE

The Local Government Prayer Initiative exists to encourage residents to be engaged in their communities in the spirit of 1 Peter 2:12-17.

Our communities are changed with the gospel of Jesus Christ as we actively participate in praying for community needs, interact with local leaders, and implement practical ways to serve those around us.

- ★ Attend local government meetings
- ★ Pray for current community needs
- ★ Find ways your church can engage in your community

Will you join the challenge?
