Substitute Teacher

Crefeld is accepting applications for substitute teaching positions (call-in or scheduled as needed), and applicants are encouraged to apply at any time. The school is currently operating in-person, and all staff are vaccinated, as well as the majority of students; all staff and students wear masks at all times except when eating. Any applicant who receives a call back will also receive detailed information about the school's extensive safety protocols.

The Crefeld School is a small, independent, progressive school, located in the Chestnut Hill neighborhood of Philadelphia, serving 100 students in grades seven through twelve. Class sizes are small (8-12) and the environment is warm, casual, and supportive. Substitute teachers receive lesson plans from the classroom teachers and have access to a variety of supports as needed.

College degree preferred; high school degree required. Strong communication skills are important; experience with Google Classroom and other Google Suite tools is a plus.

All school employees are required to have the following:

- Pennsylvania State Police Criminal History Clearance (Act 34)
- Child Abuse Clearance (Act 151)
- Federal Criminal History Clearance (Act 114)
- Act 168 Clearances
- Proof of Covid Vaccination
