Three modes of transportation will be celebrated over three weekends in May.

The already popular events in town – Railroad Days, Airport Day and the Muckenthaler Motor Car Festival – are being bundled together in a transportation celebration.

Trains will be showcased during the annual Railroad Days event May 3-4 at the Fullerton Transportation Center.

Center.

Information: scrpa.net.

The event, which typically draws 30,000 train enthusiasts over the two days, features 13,000 square feet of model train layouts and close to 40 train-related exhibitors.

From 10 a.m. to 4 p.m. May 10, the celebration takes to the skies.

Vintage aircraft will be displayed, along with aviation-related exhibits, at the Fullerton Airport for the annual Airport Days event.
