Art Education

The Muckenthaler Education Department is small but mighty. Our Chief Education Officer, Stephannie Bobadilla, heads up a talented team of two Artists in Residence, Willie Tabata and Marsha Judd, as well as 25 diverse Teaching Artists.

The instructors’ talents range from dance to drawing, acrylic & watercolor painting, children’s ceramics, indigenous and traditional ceramics classes, photography, jewelry, mosaics, sewing for fun and function, dramatic storytelling, animation and the digital arts, creative and song writing, musical and dramatic theater, plus many more!

We pride ourselves on offering a wide variety of art forms to reach everyone's interest, we can even create a private class on-site or at your site for you or your organization!
