Funding Available for Transit Agencies

Transit agencies are making investment opportunities more accessible, with priority given to disadvantaged and low-income communities.

Clean Truck and Bus Vouchers
Vouchers for the purchase of zero-emission, hybrid, and low-emissions trucks and buses.
https://www.californiahvip.org/

Sustainable Transportation Equity Project (STEP)
Offers planning and implementation grants for community-scale clean transportation and land use projects in disadvantaged and low-income communities.
https://ww3.arb.ca.gov/msprog/ltc/opportunitiesgov/step.htm

Clean Vehicle Rebate Project
Rebates for fleets and income-eligible residents for up to $7,000 for a new plug-in hybrid, battery electric, or fuel cell car.
https://cleanvehiclerebate.org

Community Air Protection
Grants to reduce local air pollution in schools and impacted communities by replacing highly polluting engines, reducing emissions at industrial facilities, building electric vehicle charging stations, or supporting other local measures identified by communities and air districts.
https://ww3.arb.ca.gov/msprog/cap/capfunds.htm

Technical Assistance
The Technical Assistance Program supports communities in applying to California Climate Investments funding programs. The program aims to level the playing field for applicants that may lack the capacity to successfully access these funds, particularly those that live in the state’s most disadvantaged communities.
https://sgc.ca.gov/programs/tech/

Transit & Intercity Rail Capital
Grants for transformative capital improvements that modernize California’s intercity, commuter, and urban rail systems, and bus and ferry transit systems.
Low Carbon Transit Operations Program (LCTOP)
Operating and capital assistance grants for transit agencies to improve mobility through new or expanded transportation services.

Affordable Housing and Sustainable Communities
Funding for affordable housing, active transportation, transit, and components that may include photovoltaic systems.
http://sgc.ca.gov/programs/ahsc/

Advanced Technology Freight Demonstration and Pilot Projects
Grants for pre-commercial demonstrations of advanced vehicles, engines, equipment, and transportation systems.

low-carbon-transportation-investments-and-air-quality-improvement-program-0

Clean Mobility Options
Grants for projects like car share, bike share, vanpool, and microtransit for disadvantaged and low-income communities.
http://www.cleanmobilityoptions.org/

Transformative Climate Communities
Implementation and planning grants for collaborative projects to create neighborhood-level change in the State’s most disadvantaged communities.
http://sgc.ca.gov/programs/tcc

Fire Prevention Grants Program
The Fire Prevention Grants Program funds hazardous fuel removal; fire prevention public education, fire prevention and wildfire safety planning.
