INDEPENDENT AUDITOR'S REPORT

Board of Directors
Center for Children & Families, Inc.
Norman, Oklahoma

We have audited the accompanying statement of financial position of Center for Children & Families, Inc. as of December 31, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of Center for Children & Families, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year comparative summarized information has been derived from Center for Children & Families, Inc.'s 2009 financial statements and in our report dated June 21, 2010 we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Center for Children & Families, Inc. as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 9, 2011 on our consideration of Center for Children & Families, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of Center for Children & Families, Inc. taken as a whole. The accompanying supplemental information, as listed in the preceding table of contents, is presented for purposes of additional analysis. This supplemental information is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2010

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose – Center for Children & Families, Inc. (CCFI) was incorporated as Juvenile Services, Inc. on August 18, 1969, for the purpose of supporting existing juvenile programs and to improve and expand services for juveniles in Cleveland County. In 1999, the Board of Directors voted to change the name of the organization from Juvenile Services, Inc. to Center for Children & Families, Inc. The programs currently supported by the organization are:

Divorce Visitation Arbitration – Resolves conflicts between parents concerning visitation with children.

Parents' Assistance – Provides services to families in stressful situations that may lead, or have already led to child abuse or neglect.

Teenage Parenting – Provides education and other support services for teenage parents.

Neighborhood Centers – Provides accessible, intergenerational activities for students in a neighborhood setting.

Trauma Focused Services – Provides information and training in effective methods for assisting children and families suffering from trauma.

OCAP – Bringing Up Babies – Provides education and support services for families with small children.

CCFI is an independent agency funded by grants from the Department of Mental Health and Substance Abuse Services, Department of Human Services, Oklahoma State Department of Health, Department of Education, contracts with governmental entities and donations from individuals, businesses, and other not-for-profit organizations.

Basis of Accounting – Financial statements have been prepared using the accrual basis of accounting. Under the accrual basis of accounting, contract funds are recognized as revenue when allowable expenses are incurred and a receivable represents that portion of the contract which CCFI has earned and/or requested, but not received. Expenses are recorded when a liability is incurred. Expenses incurred but not paid at year-end are represented by a liability on the statement of financial position. Grant funds received, but not yet expended for their specified purpose, are recognized as temporarily restricted net assets. Other revenue (i.e. donations) is recognized when received. Net asset balances represent cumulative revenue received over expenses incurred.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Financial Statement Presentation – The financial statements are presented in accordance with the Statement of Financial Accounting Standards No. 117, *Financial Statements of Not-for-Profit Organizations*, which requires the organization to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, as described below.

Unrestricted – These net assets are available for general obligations

Temporarily Restricted – These net assets represent contributions that contain donor imposed stipulations that expire with the passage of time or are fulfilled by the actions of the organization.

Permanently Restricted – These net assets would represent contributions or other assets whose use by the organization is limited by donor imposed stipulations that do not expire with time, or cannot be fulfilled or otherwise removed by actions of the organization. The investment income earned on these permanently restricted net assets would be either temporarily restricted or unrestricted based upon donor designations.

Donor restricted revenue is reported as an increase in temporarily restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified as unrestricted net assets.

Property and Equipment – Acquisitions of property and equipment are stated at cost at date of acquisition or fair value at date of donation or contribution. Expenditures for maintenance and repairs are charged to expense as incurred. Assets costing \$1,000 or more are capitalized using the straight-line method based on the estimated useful life of the asset.

Inventory – Inventories are stated at the lower of cost or market value and consist of t-shirts and tote bags sold throughout the year, items donated to be distributed to charitable beneficiaries at the organization's discretion, and items donated for future fund-raising activities.

Income Tax Status – Center for Children & Families, Inc. qualifies as an organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, and is not a private foundation under Section 509(1). No provision for federal or state income taxes has been recorded.

Cash and Cash Equivalents – Cash and cash equivalents include bank accounts and investments readily convertible to cash.

Concentrations of Credit Risk – Financial instruments that potentially expose CCFI to concentrations of credit risk consist of cash, accounts receivable, and pledges receivable. Cash is deposited in high-quality financial institutions and accounts at each institution are insured by the Federal Deposit Insurance Corporation. At December 31, 2010, all deposits of CCFI were fully insured. Accounts receivable consist of billings made to grantor agencies for services rendered or under the terms of the various grants and contracts and are considered to be fully collectible. As discussed in Note 5, in 2010, CCFI established a reserve for uncollectible pledges to more accurately report risks associated with its pledges receivable.

NOTES TO FINANCIAL STATEMENTS

December 31, 2010

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative Information – The financial statements include certain 2009 comparative information. With respect to the statement of activities, such prior information is not presented by net asset class. In the statement of functional expenses, 2009 expenses by object are presented in total rather than by function category. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended December 31, 2009 from which the summarized information was derived.

NOTE 2: INVESTMENTS

Investments of the organization consist of the following:

Unrestricted investments represent shares in an emerging market index fund which were donated to CCFI shortly before year end. These shares were recorded at their stated market price on the date of donation which equaled \$20,485. The shares were liquidated on January 4, 2011 for \$19,963.

NOTES TO FINANCIAL STATEMENTS

December 31, 2010

NOTE 2: INVESTMENTS, CONTINUED

Investments in equity securities with readily determinable fair values are measured at fair value in the statement of financial position. Fair values are determined by reference to quoted market prices and other relevant information generated by market transactions. Investment income or loss (including gains and losses on investments, interest and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. Restricted gains and investment income whose restrictions are met in the same reporting period are reported as unrestricted income.

	<u>\$ 20,485</u>	<u>\$ 0</u>	<u>\$ 13,506</u>

Both the Communities Foundation of Oklahoma and the Oklahoma City Community Foundation also receive donations designated for CCFI by other donors. Both Foundations have been granted variance power and have the authority to distribute those donations as they see fit; therefore, those donations are not reflected in the Organization's financial statements. The corpus of the funds may not be withdrawn; however, income distributed to the organization by the funds may be used for any purpose. The interest in the endowment funds is recorded in the financial statements in accordance with generally accepted accounting principles and relevant funding agreements.

Endowment Investment and Spending Policies

The Foundations have adopted investment and spending policies, approved by their respective Boards of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long-term. The Foundations' spending and investment policies work together to achieve this objective. The investment policy establishes an achievable return objective through diversification of asset classes. The primary objective of the investments will be to provide for long-term return growth of principle and income without undue exposure to risk enabling the Foundations to make grants on a continuing and reasonably consistent basis. Therefore, the focus is on consistent long-term capital appreciation, with income generation as a secondary consideration. The Foundations' target is a diversified asset allocation that will enable the foundations to achieve their long-term return objectives within prudent risk parameters.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Center for Children & Families, Inc.
Norman, Oklahoma

We have audited the financial statements of Center for Children & Families, Inc. as of and for the year ended December 31, 2010, and have issued our report thereon dated May 9, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Center for Children & Families, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Center for Children & Families, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the board of directors, others within the entity, federal awarding agencies, and pass-through entities, and is not intended to be, and should not be, used by anyone other than these specified parties.
