Holiday Wishes Donors Needed
The annual Holiday Wishes gifting program is in full swing, and we need YOUR help to fulfill wishes! This year, we have nearly 400 CCFI clients, Boys & Girls Club members and their siblings who have submitted wish lists. These lists include everything from toys to games to basic essential needs such as clothing and winter coats.

If you or your business/organization would like to participate in this year’s program and “adopt” a wish list, please contact Jodana Borden at jborden@ccfinorman.org or 405-364-1420.

Fall Fun at the Club
Our Boys & Girls Club members had a blast these past few weeks painting pumpkins, enjoying yummy treats and trick-or-treating throughout the agency hallways! All of these festive activities would not have been possible without our wonderful groups of volunteers from Nextep, Cabbage Engineering and Herbalife. We are thankful for such a great community of supporters who make each and every day at the Club special!

Service Spotlight: The Circle of Security
This month, our Counseling team began a new group series entitled the Circle of Security. This group, which consists of adoptive, foster, and biological parents, was created to help increase caregivers' awareness of their child's sense of felt safety.

During the weekly series, adults attend class while their children join a separate small group. These small children’s groups are led by CCFI therapists and volunteers and consist of a variety of organized activities, such as art projects, board games, snack time and free play outside. While in their groups, children are working on their social-emotional competencies and developing healthy connections, all while having fun in a safe and accepting space!
