November 26 meeting

Nisga'a Chief Joseph Gosnell spoke very candidly about the history of the Nisga'a tribe and the issues surrounding the Treaty which is of critical importance to the Nisga'a. Passing of the Agreement will be a triumph for the Nisga'a people as it will allow their people to make their own mistakes, to savor their own victories and to stand on their own feet.

President's Rose

Krys Rudko was proud to accept the Rose from President John for the great job she is doing as Chair of the Public Relations Committee, for lending her considerable expertise to other Committee Chairs and her assistance with the recent Kiwanis For Kids Lottery.

Congratulations

to Steve Weeks who won the raffle of a millenium pen donated by Murray McKeage.

Thank you for donating, Murray, \$115 was raised for our General Account.

Help Santa Toy Parade

Thanks go out to Derek Finley who was very instrumental in getting the CHEO Duck Bus into the parade last Saturday which included the Ducklings, the mascots and our 211 Air Cadets.

The Ducklings passed out 1,000 candy canes, a great time was had by all and Kiwanis was once again involved in something good for the community.

Special Olympics Jackets

Orders are being placed right now for the red Corporate Jackets which will have the Kiwanis International logo embroidered on them. The 3-in-1 hip length jacket has a nylon shell that is waterproof, low pill double fleece removable inner jacket and hood.

At a great cost of only \$150(tx incl) you must call the office right away as there is a limited number of jackets available .

Sympathy of the Club

George Wolf, a former member of our club , passed away on Wednesday, Nov 24 at the age of 84. George was a member of our club from 1956 to 1995 as was his father before him.

Funeral services will be held on Sunday, November 28 at 2:00 pm at the Jewish Community Funeral Home on Cuba Avenue.

Cards can be sent to his wife Barbara at 1976 Lenester Avenue Ottawa, K2A 1J9

Hands-On Committee

150 Sports Bags have been donated by Giant Tiger to assist us with our "Keep Warm" Project.

The kits will be given to the truly homeless and will include a blanket, a hat, gloves, socks, lip balm, razors and lozenges.

Our involvement again this year with the Outreach workers in a number of organizations will keep many homeless a little warmer this year and leave them knowing Kiwanis cares.

Hands-On Committee

Ross Hadwen is asking all of our club members to consider donating any **clothing** that would be suitable for our children at the Connaught Public School.

These children, aged 3-7 are in desperate need of winter clothing such as snowsuits, snowpants, boots, mitts, scarves, sweaters, etc. They will also accept any other clothing for the children.

They also like to get "Treasures" which the teachers distribute to the classmates.

If you have any of these items that you think the kids would like, please call Ross Hadwen at 225-8179
