Meeting Friday, Aug 20/04 - Dave Smart, who was raised in Ottawa, has seen a lot of athletes. Some of these athletes showed promise, some didn't. He proudly remembers one student at St. Pat's who didn't know what to do, but Dave knew he would be a good basketball player, given proper direction. He had an attitude, he wasn't doing well in school, but the one thing the kid had going for him, was that he wanted to be the best. Dave 'took him under his wing' and helped him along. He became a great basketball player and he played in the Championships. He went to university, got the opportunities in life that he needed, and it changed his life. He now speaks to other kids about finishing school and going for your dream. Dave is honored that he was able to make an impact on the youth in our community.

President's Thought For The Week:

“If all I'm remembered for is being a good basketball player, then I've done a bad job with the rest of my life”

Interclub, Sports and Social

**Does the
warm south
appeal to
you in mid
January?**

If so, you may be interested in joining the Interclub, Sports and Social Committee, as we plan our get-away. Some of us think an interclub down south holds a lot of merit and we would like to know what you think.

We are looking at a hotel and flight package for one week that is less than \$1,500 per person. The more participants, the lower the price. Oh, and we would interclub while there!

Contact Kathleen Holst 296-6580 if you are interested, or have a destination suggestion.

CIRCLE K Special Offer - Taking The Edge Off!

Does anyone have children, grandchildren, nieces or nephews starting their first year at Carleton University or the University of Ottawa this September?

The members of Circle K at both universities have offered to help these new students 'take the edge off' by showing them around campus and helping them with scheduling their courses during their first week of school which can be a very confusing time.

Anyone who is interested is encouraged to contact the following Circle K members directly:

University of Ottawa - Naomi DeSilva at naomi_de_silva@hotmail.com
Carleton University - Kristen Holinsky at faeries_wings@hotmail.com

Staple Business Depot/ Kiwanis Clubs - School Bus Program

Kiwanis Clubs across Canada are teaming up with local Staple Business Depot stores and collecting school supplies for needy children., a program that was started three years ago by the Kiwanis Club of Orleans .

Why not drop by 403 Bank Street, where our own member, Steve Tanner, is General Manager, buy some school supplies and throw them on the Bus !

Parkinson's SuperWalk

"For several years Kiwanians have generously supported me in the Ottawa SuperWalk for Parkinson's. I am now gathering pledges for the 2004 event, set for September 18, and hope you will consider pledging a donation in my name.

This is an extremely busy time for the Club, so there will be no pledge forms put on the luncheon tables.

If you decide to support my participation in SuperWalk 2004, the simplest and quickest way is to go on-line at www.superwalk.com, which also generates an instant tax receipt; or, if you prefer to send a cheque, please make it payable to Parkinson Society Ottawa and mail it to me at 14 Breezhill Avenue North, Ottawa K1Y 4W6.

Be assured that I deeply appreciate the love and support of my Kiwanian friends!"

Past President Larry Haffner

100% Attendance

At the meeting of August 13, President David was pleased to present 100% Attendance Tabs to the following:

Sam Bhargava	14 years.

NOTE: CHANGE OF DATE

24 HUGS Golf Tournament

"I would very much like to thank each and every one of you for your support to date on this extremely exciting endeavour to raise funds for Roger's House and the Kiwanis Club of Ottawa's 'Young Children Priority One' initiatives. We have a great team and with Lee Knowles keeping us organized I have no doubt that we will surpass our goals.

Our collective decision today to **revise the date from Sept 24/25, 2004 to June 17/18, 2005** has the unanimous and enthusiastic support of all stakeholders and everyone else who has been made aware of the change. It has already spawned a burst of creativity and increased our potential for not only achieving, but surpassing our initial goal of \$100,000 net.

Thanks again for your help and please remember that changing the date does not lessen the intensity required to finalize our concept and develop a business plan to be used for corporate sponsorship by October.

This will allow us to approach businesses before their new budgets are finalized and will permit us to time to develop our marketing materials for our media launch in January of 2005. In the interim we will be taking every opportunity to start raising funds for 24 HUGS by supporting the CPGA pros in their 'end year'".
