## **Dear Rocky Raccoon Trail Runner,**

Welcome to Huntsville Texas and thanks for choosing the Rocky Raccoon Endurance Trail Run. It is our intention to provide the very best Texas hospitality. We do our very best to take good care of you. Rocky Raccoon is built for speed & comfort. The aid stations are close together and staffed with experienced trail runners. They will best understand your needs, and will provide more encouragement than sympathy. Our volunteers are the heart and soul of this event; so don't be surprised when they treat you like family. We want you to finish and will do what we can to help you achieve this goal.

I plan to stick to the posted schedule. Please make your adjustments with airfares and other details. Please read all of the race details. They are designed to accommodate both, the runner and the volunteer. You are not required to attend any of the briefings, but it would be to your advantage to do so. There is no weigh in. If you wish, you can just show up, check in, and run. Also, I hand out finisher's buckles, medals, and awards when you finish. There is no awards ceremony as people are coming from all 50 states and multiple countries for this event. So we have decided to celebrate with every finisher as they cross the line! With that stated, please know that we do NOT mail any awards.

I have provided enough information on our website to answer most of your questions. If there is anything I have missed, please send me an email. I want to know what you think. I will repair what I can, adjust what makes sense, add in new ideas, and remove what should be gone. Any compliments you have I'd love to have in email form, so that I can add them to the thank you letter I pass on to my volunteers after the race.

We have been selected as the USATF 100 Mile Trail Championships once again, and in line with that, we have prize money for 1st, 2nd, 3rd, & Masters. We are also, once again, one of the largest 100 milers in the country, with most states represented as well as a growing number of international participants. This course is fast, with some of the fastest 100mi trail times on this planet. So, it's a fun chance to run your best 100 miler yet, or your first 100 miler. Either way, we're humbled and excited your joining us in Huntsville, TX for another fun Rocky!

Chris McWatters

[fun@tejastrails.com](mailto:fun@tejastrails.com)

**Race Staff:** Race Director is Chris McWatters. Course Control and Volunteers are covered by Henry Hobbs and Jonathan Thomas. Medical is Becky Spaulding and Jon Kuss. Joe C manages Communications as well as Search & Rescue. Kyle Wilkie, as always, does Timing. And of course... there are over a hundred others who help in so many different ways.

## **Our Sponsors & Support**

USATF South Texas: cash awards.

Nutrition by Tailwind, Crazy Water, Vfuel, and Saltstick

## **Supporting Clubs**

North Texas Trail Runners, Rockhoppers, Footsteps for the Fallen, Dallas Dirt Runners

## **Course Records:**

2011 12:44:33 Ian Sharman

2015 14:22:18

Nicole Kalogeropoulos

**Time Line**

• **Friday**

- 3:30pm - 6:30pm Packet Pickup (Huntsville State Park: at Raven Lodge)
- 3:00pm - 6:00pm Drop Bag Drop-off (Huntsville State Park: at Raven Lodge)
- 5:00pm Trail BRIEF (Huntsville State Park: at Raven Lodge)

• **Saturday**

- 4:45am – 5:45am Final Packet Pickup (Huntsville State Park: at Raven Lodge)
- 6:00am 100 Mile Start
- 7:00am 100 KM Start
- 3:00pm Youth Trail Race (approx. 1 mile) (12 & under) at Start/Finish Line Timing Tent

• **Sunday**

- 4:30am Final Loop Cutoff (must be out of the A.S. onto your final loop)
- Noon Final Cutoff
- 1:00pm Drop Bags Returned (to the Finish). No Exceptions.

- Dogwood** - crewing, support, and everything else is allowed here.  
**Nature Center** - no cars, you can crew only if you walk or bike here.  
**Dam Nation** - no cars, you can crew only if you walk or bike here.  
**Gate** - no cars, you can crew only if you walk or bike here.  
**FarSide** - no cars, you can crew only if you walk or bike here.

**Cupless:** We will NOT provide cups for cold beverages. You must carry your own water bottles, hydration vests, etc. We WILL provide a couple community cups at each aid station if you lost your water bottle and you are desperate and gross enough to use that.

At hot events, we WILL provide Styrofoam cups or bowls and plastic spoons for hot items. We WILL also place some small food items in small serving paper dishes for sanitary reasons. You are required to stay at the Aid Station with all paper and Styrofoam items. No one may enter back onto the trails while still holding that trash. Anyone caught with items on the trail and/or littering will be automatically DQ'ed, and not allowed to return to a future event.

**Drop Bags**

Please read the restrictions on sizes below. You can place whatever you want at the start/finish/turnaround area, but for Damnation, please read below.

Bag Details:

- Drop bags must be in bags, not plastic totes.
- 5 gallon size – MAX.
- Bags must be labeled. Name, Bib#, & Aid Station.

- You will get your Bib # at Packet Pickup. We will provide duct tape and sharpies at the Drop Bag Dropoff Location. But feel free to bring your own marking supplies.
- NO trunks, ice chests, styrafoam, Tupperware, or cardboard boxes.
- Only ONE bag per person.

Delivery Details:

- Bring DamNation bags to the Raven Lodge during packet pickup on Friday.
- They will be taken to DamNation on Friday night at 6pm. This is your only chance to get a bag to DamNation. No Exceptions.
- If you are dropping bags at other locations, you can do that anytime Friday. Not on Saturday morning though.

Return Details:

- We will bring the DamNation bags back to the Lodge Sunday at noon.
- We cannot bring back any drop bags from DamNation until Sunday noon. If you must have it before then, then don't send a bag out to DamNation or you / your crew can go get it (ON FOOT OR BIKE ONLY) for you.

Other Details:

- Bring your Dogwood/Start bags to the start line on race morning.
- There will be a drop bag area. You still must label these bags as well.
- Drop bags will be lined up in Bib Number order.
- All abandoned drop bags will be disposed.
- Make certain all your bags are weatherproof. Your bags will not be under protective cover.
- Secure all your items to your bag. Do not lay a jacket or shoes on your bag and expect it to stay with your bag. This includes the return trip back to you.

**Awards (Male & Female)**

Overall	– 1 <sup>st</sup> - 5 <sup>th</sup>	(literally means the 1 <sup>st</sup> five: including masters)
Masters (50+)	– 1 <sup>st</sup> - 3 <sup>rd</sup>	
19&under	– 1 <sup>st</sup>	
20-29	– 1 <sup>st</sup>	
30-39	– 1 <sup>st</sup>	
40-49	– 1 <sup>st</sup>	
50-59	– 1 <sup>st</sup>	
60-69	– 1 <sup>st</sup>	
70+	– 1 <sup>st</sup>	
Buckles	– All finishers	
Buckles (special)	– All finishers Sub-24 hours	

**Aid Station Food & Drink:** The aid stations begin with all the basics: Tailwind, Vfuel gels, Saltstick, water, ginger ale, coke, other salty items in pretzels and chips, sugars in candies, plus cookies, ramen, and pb&j sandwiches. Also, we usually find some fresh fruits such as oranges, bananas, and melons. Depending on the weather, we will put

out cold stuff when it's extra hot and hot stuff when it's cold. After dark, we'll start up the stoves to start cooking soup or mashed potatoes, broths, hot drinks, grilled cheese, and such. Not all aid stations will have the same foods. We provide meat & vegetarian options with no claims to gluten free or vegan needs. If you have special needs, bring your own items.

**Pacers:** Pacers are allowed to start from any aid station after 50 miles: only one pacer at a time per runner. No mule-ing. Each runner must carry their own gear. Pacers are welcome at all aid stations, same as their runner. If age 60+, you can have a pacer the entire 100mi or 100km.

**Chip Timing:** This is a chip-timed race. You will not get an official time unless you are wearing your chip from start til finish. Make sure you have it on, and have it on correctly every time you cross the mat (after each loop). The timing chips are sensitive to angle and proximity with the timing mat, such that if you do a somersault over the timing mat, it may miss you. If it's in your pack, it will miss you. Wear it on your ankle. When you are done, we need the chips back and will trade you a finisher's award for your dirty stinky strap & chip. Some of you don't like to stop when you are done, and keep on running. Please don't make us chase you down. Please remember to give us the chip back, then go on and keep running all you want. Note: Chip timing is only for splits and final results. We do not adjust start time based on your offset time. Your start time is gun time: at 6am.

**DNF:** If you do not complete the distance you signed up for, you will show up in the results as a DNF. You can have a finisher medal if you want. Your miles may still be used toward the Tejas 400 and Tejas 300 awards, if you align with the rules for that award.

**Race Bibs:** The Race Bibs must be visible so that the other runners know which race you are in, and also so the cameras out on course can read them at all times.

**Check-In:** Check in is now processed as you cross the start-line mat. Simply make sure you cross the mat when you begin. That is your check-in.

**Check-Out: DNF, DROP, QUIT, LEAVE EARLY, MISSED CUTOFF:** All runners who do not finish the race must turn in their race bib to Kyle Wilkie or Chris McWatters at the Finish Line. I need to know if you have left the course. Otherwise, when you come up missing, I'll think you're lost out there in the park and we will go looking for you. So, every person who enters the course must come to the finish line to report they are no longer in the race. I MUST KNOW WHO IS ON or OFF THE COURSE AT ALL TIMES.

**Parking** (from the Park Superintendent)

For our events and busy holiday weekends, we rope off the area near the lodge to help with the problem of people parking off road in that area. There will be park staff on site

to direct people where to park or not park.

Bottom-line: folks need to park in designated, paved parking spaces unless otherwise directed by park staff. If someone decides to park off pavement without being directed to do so by park staff, then they will probably be ticketed and/or towed.

**Parking at Aid Stations:** There is no longer enough room for the race support staff & volunteers to park at the aid stations, along with all the runner's crews. You can still support your runner at these aid stations, but your cars are no longer welcome. Simply bring a bike, plan to hike, or provide support only at the main Dogwood station once every lap. Your cooperation is appreciated.

**Runner Crews:** Crew support is OK at any station as long as you don't drive to them. You can only support your runner within sight of an aid station and never at a road crossing. The runners cross the road a few times, please respect this rule.

**Youth Trail Race:** We will have a kid's one-mile race on Saturday at 1pm at the Start/Finish Timing Tent. Register just before the race starts with Jonathan. This will not be handled in the packet pickup area. Announcements will begin about 1 hour before the race. 12 and under only. Entry fee \$5. \$20 gets your young runner a shirt too. No matter which price option you choose, every finisher gets a medal and a prize.

**Camping:** The park does not allow any sort of camping unless you have a reserved campsite. This includes car camping. You must have a site reserved and be parked at that site. Tents are no longer allowed at the start area. You can setup a canopy or popup for use during the race. If they find you sleeping in your car or unauthorized tent, you be asked to leave immediately, and they do check. There are a lot of campsites at this park, at many beautiful spots. But we do advise you reserving them in advance.

**Cutoffs:** 30 HOURS. You cannot start another loop after 6:00am Sunday. There are also cutoffs for every aid station after this time. Check the Aid Station chart for specifics. We like to think of these aid station cutoffs as QUITTING TIME for the volunteers. Nobody is allowed past these cutoff times. These times are final. Understand: you do not have the option to continue on your own past this time.

**Results:** Will be posted at regular intervals during the event. Please direct any and all corrections to Kyle Wilkie first and Chris McWatters second. If you feel that any of your data is incorrect please inform us right away. The sooner we know about errors, the easier it is to correct. This includes your final time & placement. Final results will be posted within a few days after the race on our site.

**Transfers, Withdraws, Deferrals:**  
See "Policies" document on the website.

**If there is a Wait List:**

There is a \$20 holding fee for a place on the wait list.

if you get in, the holding fee will be deducted from the balance owed.

if you do not get in, for any reason, the holding fee is not refunded.

**Additional Costs:** In the past, the park entry fee was built into the race entry fee, but this is no longer possible per the park's requirements. Huntsville SP now has a policy where they charge us a fee per person to put on the event and they also charge each entrant a fee as you enter the park. The fee to enter the park is around \$6 for anyone over 12 (this amount may change a little year to year).

**In case of race cancellation** (for any reason):

There is no refund.

**Littering:** If you are one of those who are used to having your mom clean up behind you, I need to forewarn you that you are one of the rare few who are not welcome here. The campsites, parking area, and trails all need to be cleaner when we leave as they were when we got here. This is NOT just about the excess work I and my volunteers have to do, but please understand if we don't keep the park clean, the race will come to an end. We don't own the park. If we leave the trails trashed, our contract and this race will be cancelled. So please, do not take this or any trail race for granted. Take care of the trails and the park. Clean up your own mess. We would like to see our grandkids running this race years from now. Note\*: Runners are responsible for their crews. A runner can be disqualified if his or her crew is busted for speeding or littering.

**Packet Pickup:** There will be two opportunities to pick up your race packets: Friday evening & Saturday morning. Both are at the race start area in the park at Raven Lodge. Many people due to circumstances cannot get out there early, which is the ONLY reason why we have a race morning packet pickup. But if you are able, please get your packet Friday. Also please note that we do not mail out any packets and/or shirts before, during, or after the event.

**Course:** The single track and jeep road course has minimal elevation gain, but does roll a bit. The park is full of pines and much of the course rides on a bed of pine needles and dirt. Most of the single track is covered with roots. You will know many of these roots intimately.

**Course Marking:** Yellow directional arrows will be at every intersection, Ribbons will be leading into and out of each of the same intersections. We also use red Wrong Way signs (at the appropriate places), which are self-explanatory. Occasionally, some brush is stacked in front of a trail to direct you away from it. We do not use glow sticks. Instead, we use reflective tape. The brighter the light, the more visible these are. If you have no light, you won't see them as well. It is your responsibility to stay on course. If you get off course, go back to where you got off. A good thing to keep in mind is that the person you're following might not know where he or she is going. Just because he or she is faster does not mean he or she is smarter. If you do follow a person off course, you have

become a LEMMING and deserve the extra distance for your mental laziness. Remember to tell me when you are done so I can charge you for extra distance you did not pay for.

**Special Recognition:** 500mile & 1000mi & 1500mi Jackets. These will be at the finish line timing tent. Please ask a finish line volunteer or the Race Director or Assistant Race Director when you're done and can see straight.

**TEJAS 300:** This is an award (a slab of granite cut into the shape of Texas) we give to those few who manage to finish three of the longest local area races put on by Tejas Trails. J&J 100km, Cactus Rose 100mi, Bandera 100km, Rocky Raccoon 100km, and 100mi.

**Entrant List:** I always post a list online of all registered runners. Please check the list now. If any of your data is incorrect, we need to know. The smallest insignificant errors create big problems later. Data input errors cause major headaches for the timing team and the race staff in general. If your gender or age is incorrect, you will be sorted into the wrong category for awards. If your name is off by one character, when I sort your name for recognition for running multiple events, we cannot connect all the races you have done. Packet pickup runs much smoother and faster if there are few issues with any of this data. Please understand that ANY errors in your personal data cause major issues somewhere down the line, so help us run smoother and faster by checking online and letting us know... right now. I have never given any email or other data to anyone in all the years I have directed races. Many have asked, but I have never provided them. Your personal info is safe with us.

**Swag:** We make certain that every person who registers before the late date gets the shirt size that they selected when they registered. And everyone who registers after this date will get an awesome hat, beanie, arm warmers, visors, etc. We cannot swap your shirt with a different size at packet pickup. If you wish to slow down packet pickup by trying it on and then asking for a different one, the answer will always be the same: NO! After around 11:00am, you can go by the Tejas Trails mobile store and ask to see if there are any leftover shirts available for you to swap or buy additionally. You can also swap for the late reg item if you prefer it.

**Dogs:** We love dogs, but dogs are not allowed on the course or at any aid station, even when on a leash.

**Race Morning:** For all of you who plan to drive in on race morning and hope for a parking spot up close, good luck. This is a big race, so if you come in early you will get the best spots. Otherwise, expect a decently long walk from one of the slots up the park road. There is plenty of parking around the park though. People have been towed in previous years so you have to play by the park's rules. This has nothing to do with Tejas Trails, it's all Huntsville State Park. Please don't talk to us about parking. The park does not make exceptions so don't expect any. Otherwise, you will see and hear the raucous

around the starting line even though it's dark. Ask around, look around, pay attention to signage, and you'll find parking, packet pickup/late registration, and the start/finish area.

When you enter the park, pass the ranger entry stations and keep going straight back to the lodge. Packet pickup is in the Raven Lodge. The race start/finish is nearest Shelter#1 at Dogwood Camping Area, which is the closest shelter to the Raven Lodge across the parking lot and boat ramp. Look for this on the park map you can receive upon entry to the park.

**Travel:** Nearest airport is Houston International Airport at 2800 North Terminal Rd Houston, TX 77032. According to Google: its about 1hr 1mins or 58mi. From Austin, its 3hrs 2mins or 166mi. San Antonio is 3hrs 46mins or 254mi. Dallas is 2hrs 38mins or 180mi. Huntsville SP is 9 miles behind Huntsville.

**Mailing Stuff:** Tejas Trails may seem like a big business at first glance with lots of staff. But it's just me, and hundreds of amazing friends who volunteer on race weekend, but not after. So, I simply can't afford the time to mail you your left behind clothing or medal you left onsite. Even if you do offer to pay. The answer is still "no". As much as we want to take care of everyone. We cannot mail it. We hope you understand. If you let me know before your items get donated, or your award gets recycled, I'm happy to bring it to the next event you are coming to. But only if you get ahold of me in time. We move quick between events! Thanks for your understanding of this one.

**Share the trail:** First off, this race is not a ROAD race. It is primarily run on single-track trail. That being said, we play by a different set of rules than you would on a road or track. If someone is behind you and would pass if there were room, then you must let them pass. It is unacceptable to trap a faster runner behind you simply because you can. It doesn't mean that you must stop and wait for them to get by you. It does mean that you should allow them to pass if they want to. Give them room and opportunity to do so. You can also talk to a person close behind to ask if they wish to pass. Maybe they do and maybe they don't. Pretty much the same golden rule you got in kindergarten: play nice with the others and treat them like you would like to be treated. This message is the same for the faster runners: let people know when you want to pass and don't be a jerk about it. This leads to those who are plugged in: make sure you can hear what is going on around you. Also, because we are using the trails of a park, we DO NOT have exclusive rights to the park or to the trails. Be considerate and understanding to the other park users: be they hikers, bike riders, or equestrian riders. It's not their trail. It's not our trail. It's just a fantastic park we fell in love with, and like seeing as many folks as possible enjoying.

**Unsportsmanlike Conduct:** This and every other race out there cannot survive without volunteers. They come and give their time to help you. So, it's pretty simple: be nice to them. Any disrespect or rude behavior to a volunteer will be dealt with harshly. Any disrespect or rude behavior to another runner will be dealt with harshly as well. Running a good race is NOT just about what I do as a RD. It is also about how all of you treat each other out in the woods. Keep your emotions in check and communicate if something isn't going well. Most likely you'll find more than one person who wants to help you

remedy the situation. Lets make this an event every one wants to come back to again and again and again.

**Volunteers:** If you want to volunteer please let us know or just show up and throw in with us. Several of us get to the park early in the week, and have loads of fun in the “calm before the storm”. We always need help marking on Wed & Thu. We set up tents & haul water on Thu. We set up for packet pickup on Fri. Race day: we need many people at the aid stations. Medical always needs a few qualified professionals. Kyle needs help collecting chips. Some people are needed to hand out medals & awards. Tear down begins late Saturday for taking down the markings and aid stations if you need some miles, and loading the trailer if you need some strength training. In between all of that, we have a ridiculous amount of fun, visit a lot, drink some good drink, eat a lot of good food, and always make a ton of great memories.

**State Park Rules:** Tejas Trails appreciates and respects Texas Parks & Wildlife Department. Our contract with the Huntsville State Park is governed by the laws of the State of Texas, specifically the "State Park Rules and Regulations." Please familiarize yourself with their standards and if you have any questions, contact the park directly for clarification. (Note: It is an offense for any person to consume or display an alcoholic beverage in a public place...)

**Photos & Videos:** Tejas Trails might possibly use your likeness in an advertising piece or hit on social media. Please let us know if you don't wish to be included with an email ([chris@tejastrails.com](mailto:chris@tejastrails.com)). Odds aren't that high you'll be “the one” selected. But it could happen. This statement excludes the possibility of you ending up in a photo or video from the general public. We can't control that.

**Fastest known time for 100 mile trail Cash Prize:** Open to everyone is a prize purse of \$1000. This is for any male or female who sets the fastest 100 mile known time on trail.
