THANK YOU FOR YOUR SUPPORT! Each year BADA brings together alumni and others for friendship, networking and continuing education. Dues are instrumental to making BADA self-sufficient, continuing to bring alumni together, and supporting black undergraduate students.

WHAT DO MY DUES COVER? This year we were able to put on a mini- reunion in D.C, as well as several regional and topical events, where food and drink were free or charge of subsidized. We use BADA donations to make our events accessible to as many members as possible.

10% of funds raised between December 15, 2016 and March 1, 2017 will go to help support black students with off campus travel and internships.

- Lifetime Membership \$500
- Annual Membership (Class of 2010 or earlier) \$40
