

# Friends of Eagle Island, Inc.

## Contribution Form

In November 2015, Friends of Eagle Island (FEI) acquired Eagle Island. This purchase completed the first phase of FEI's vision ensuring that "children may always play" on Eagle Island.

FEI is now tackling the next phase of its vision: conserving and preserving Eagle Island's natural and historic character; and providing an environmentally responsible Adirondack island camping experience for youth of diverse backgrounds. The focus is to revive this incredible camp. A camp with wilderness adventures, premier sailing programs, incredible out of doors experiences, while developing team and leadership skills.

The immediate priority for FEI is the restoration of the historic buildings and program equipment to provide a safe environment for our participants. This endeavor includes much needed repair and/or replacement of elements of the island's infrastructure.

In order to meet our goal of an initial (limited) camp opening in 2018, FEI is seeking the financial support from the Adirondack community, historic preservation organizations, foundations and private individuals that have a similar passion for Adirondack history and outdoor education.

Your donation will be used in the following ways: restoration; repairs to water, sewer, electrical and roofs; start-up costs; and program equipment. The sooner we complete the necessary repairs, the faster we can have campers back on Eagle Island!

There are several ways to make a tax deductible contribution:
