

CAMPAIGN ZERO STATE POLICY AGENDA

INTERVENTIONS

END BROKEN WINDOWS POLICING

A. Decriminalize the following harmless offenses:

- Consumption of Alcohol on the Streets
- Marijuana Possession
- Disorderly Conduct
- Trespassing
- Loitering
- Disturbing the Peace
- Spitting

B. Pass [legislation](#) to ban racial profiling and establish enforceable protections against it.

C. Pass legislation to establish teams that include mental health professionals as primary responders or co-responders to crisis situations.

END FOR-PROFIT POLICING

A. Pass [legislation](#) to prohibit police departments from seizing assets of civilians unless they have been convicted of a crime and direct legally seized assets to an external fund.

B. Pass [legislation](#) banning police department quotas for tickets and arrests.

INTERACTIONS

LIMIT USE OF FORCE

A. Establish a statewide use of force standard that requires police officers to use the [least amount of force necessary](#), prioritizes de-escalation, and permits use of lethal force only in situations where there is an [imminent threat](#) to a life.

B. Pass legislation ([Colorado law](#)) to require statewide reporting of incidents where police kill or seriously injure people to a publicly accessible online database.

C. Make chokeholds, hog-ties and nickel-rides felony offenses.

D. Pass legislation ([Illinois law](#)) to require police departments to report officers who have been found to have violated department policy, the law, or who have otherwise committed official misconduct and maintain a database containing this information.

E. Pass legislation prohibiting officers who have been found to commit a felony offense while acting in the line of duty from being employed by any law enforcement agency in the state.

TRAINING

A. Change statewide Law Enforcement Officer Standards and Training Board requirements to require police departments to undergo consistent racial bias training and bias testing, with implications for entering and sustaining a career in law enforcement.

B. Require officers to undergo the following trainings as a condition of employment, and fund community members and youth to be involved in designing and implementing these trainings:

- Procedural Justice
- Relationship-based policing
- Community Interaction
- Crisis Intervention, mediation, conflict resolution and rumor control
- Appropriate engagement with youth, LGBTQ individuals, individuals with mental illness, and English language learners
- De-escalation and minimizing use of force

DEMILITARIZATION

A. Pass [legislation](#) to prohibit police departments from using federal funds to purchase military equipment.

B. Pass legislation to prohibit the use of military weaponry currently in police departments' possession

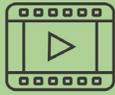

COMMUNITY REPRESENTATION

Pass [legislation](#) to require police departments to develop and implement guidelines for recruitment and retention of a police force representative of the community, prioritizing the recruitment and hiring of officers of color.

ACCOUNTABILITY

BODY CAMS / FILM THE POLICE

A. Pass [legislation](#) to require police officers use technology that collects audio and visual data of police interactions (including body cameras) and develop clear policies governing their use, storage and accessibility of footage in consultation with activists and community organizations. This should include policies that:

- Record all interactions with civilians (except where a civilian opts not to be recorded upon mandatory notification)
- Allow civilians to review footage involving them or a relative and require this information be released to the public
- Presume police misconduct if complete footage is unavailable
- Prevent officers from reviewing footage of an incident before completing initial reports or statements
- Secure the privacy of the citizen during all processes

B. Pass [legislation](#) establishing that the act of filming the police is not, by itself, interfering with law enforcement activity.

COMMUNITY OVERSIGHT

Pass [legislation](#) authorizing and funding local municipalities and agencies to establish civilian oversight structures with the power to investigate police misconduct, subpoena, and discipline police officers.

INDEPENDENTLY INVESTIGATE & PROSECUTE

A. Pass [legislation](#) establishing a permanent special prosecutor's office with independent investigators required to investigate all cases where police kill or seriously injure a civilian.

B. Repeal provisions in state [Law Enforcement Officers' Bills of Rights](#) that delay investigations, obstruct civilian review and that expunge or otherwise hide officers' disciplinary records from the

FAIR POLICE UNION CONTRACTS

Repeal provisions in state trooper unions and other state law enforcement unions that delay investigations, obstruct civilian review and that expunge or otherwise hide officers' disciplinary records from the public.
