

Hey Story Families,

Thank you for the best two year any PTA President could have asked for! We were able to accomplish so much for all our kiddos and their school, the changes we provided will be our legacy.

I have been so blessed to work with the best Story PTA board and volunteers, thank you so much for helping and having my back. During the times when hard work was called for, I knew I had friends to call on.

Story is the best school with super teachers and staff, thank you all for always having such great things to say about our Story PTA programs and events and supporting our fundraising efforts.

So I started on Story PTA as Historian, then jumped to Treasurer with no idea what I was doing at first. After two years as Treasurer, I figured President would be a breeze lol!!! Coming off of two years as President, Programs seems fun. Why would I tell you all of this?

My friends that I have made at Story are life long and I would have never met all these wonderful people without volunteering. Never be afraid to jump out of your comfort zone and see what new skill you can learn.

Love y'all,

Shea Hernandez
