

Participation Contest for Kroger: The race is on...

Please enroll if you have never enrolled before. If you have already enrolled please check your Kroger receipt or your Kroger account online to make sure that Fairview is listed as your supported school!

The first class with 100% participation in the Kroger Community Rewards will receive a breakfast party at their morning snack time. Please fill out this flyer and send it back to your child's classroom. The classroom that receives all papers back first will receive Chick-fil-a breakfast minis for their morning snack. **Remember do not sign and return the paper until you have first linked your Kroger card with Fairview Early Childhood Center. Once your card is linked sign the form and return it to your child's class for participation credit.**

* Go online to krogercommunityrewards.com.

* Click on Sign In. Register for an online account if you do not have one already.

* Enter **58296** as the NPO organization number or select Fairview Early Childhood Center from the list and click on confirm.

* To verify you are enrolled correctly, you will see your organization's name on the right side of your information page.

**Please encourage all your family members, grandparents, friends, coworkers, etc. to enroll our school on their Kroger card also.

Please remember until you have linked your Kroger Plus Card to Fairview your purchases will not count for our school. This will NOT affect your ability to earn personal rewards. This program is in addition to what you personally earn. We need for all of our families to take advantage of this easy way to help our school.
