As one of my friends and mentors, the studio will be hosting, "The Rocky Mountain Percussive Dance Festival" over labor day weekend this September (September 1-4).

As part of the festival there will be a student showcase for pre-submitted students work, studio work or school work. Someday My Prince will Come will be a surprise number dedicated to Ira during the festival showcase.

In order to qualify to participate you must be registered for the festival and participate in this intensive . Only levels 4 & 5 are invited to participate as the material is very, very hard.
