Sponsorship Opportunities

**WHEN:** TUESDAY, NOVEMBER 5, 2019

**WHERE:** TRIBECA ROOFTOP | 2 DESBROSES STREET | NY, NY 10013

**WHY:** EDUCATE 6,000 STUDENTS IN RURAL ZAMBIA
Impact Network believes that every child deserves access to a quality education.

For 6,000 children in rural Zambia, we make this a reality using technology, teacher coaching and community-based programming. These students are bright, capable and have incredible potential.

They deserve the same opportunities to learn as our own children have.

We invite you to join us in changing their future.
How We Work

After years of building schools in rural Zambia, we realized that access to education is just the first step. Our education solution, the eSchool 360, was developed as a way to sustain high-quality education for less than $5 / month per student. We provide locally-hired teachers with tablets to deliver eLearning lessons, using an interactive, activity-based curriculum that moves away from traditional rote learning. Teachers receive weekly coaching and training focused on helping them use the technology and enhance their skills. Researchers from American University have found that Impact Network schools cost 70% less than government schools, while simultaneously improving the numeracy and literacy skills of students.

100% of public donations go to our programs in Zambia because grant funding supports our operating expenses.
Chefs for Impact features 6 of New York’s finest chefs, who create a unique multi-course meal for just one night.

Previous chefs include: Gabe Thompson (L’Artusi, Dell’Anima & L’Apicio), Matt Bernero (Minetta Tavern), Michael Laiskonis (La Bernadin), and Gary Barawidan (PS Kitchen)
