

Community Magnet Charter School
Community Council – Grade Level Representative
Nomination Form

Community Council is the chief decision making body for Community Magnet Charter School. Council has the sole authority for all aspects of the school's operation in areas such as curriculum, budgeting district funds, personnel, enrichment, and school safety.

The structure of Community Council requires that six parent members are elected each year to represent each of the six grade levels K-5 (two parents may share one position). If you are elected to Council, your commitment to the parents at your grade level will be very important. Each grade level representative is expected to attend all Community Council Meetings and share pertinent information with families at the grade level in a timely manner. Council will meet at least once each month from 2:45-4:00 PM. The grade level representative will also be expected to attend Town Hall meetings in order to meet with grade level parents, discuss concerns, and share information. The term of office for Grade Level Representatives is one year.

Parents may nominate themselves to represent only one grade level. You cannot be a regular employee of the Community Magnet Charter School or a current board member of CFF (The CFF president selects a representative to attend Council meetings). If you would like to nominate yourself to serve on Council, return this form to Toni on or before Thursday, August 27, 2020 at 4:00p.m. Candidates will also need to write a 75-80 word statement of candidacy so your grade level can get to know you. Statements should be emailed to Toni (trk2932@lausd.net) by the same deadline. Elections of the parent members of Council will be held on Tuesday, September 1, 2020 during the grade-level first session of Back to School Night.

Thank you in advance for your commitment to our students. If you have any questions about Council or the elections process, please contact Toni.
