

Support a new generation of international correspondents.

WHAT THEY DO

The GroundTruth Project is committed to training the next generation of journalists and documentary filmmakers and adding increased knowledge and understanding on social justice issues, including global health, the environment, and human rights.

GOOD FOR MAJORS IN...

Journalism, Communications, Marketing, English, Media Studies, Political Science

WHAT YOU COULD DO

- Collect content for a weekly newsletter to showcase multimedia reporting
- Develop concept for expanding platform to new audiences.
- Author a summary of new developments in digital media space

PERFECT IF YOU CARE ABOUT...

- International Affairs
- Freedom of expression
- Multimedia production
- Social justice journalism

"I received the perfect experience in this organization and enjoyed every day spent in there."
