

Experienced community volunteers helping young readers grow

WHAT THEY DO

GI strives to improve literacy skills of young children through grade 3, through the tutoring of older volunteers, passing knowledge from a generation to another.

GOOD FOR MAJORS IN...

Business Administration (IS/Marketing/Management), English, Social Work, Sociology, Women's Studies

WHAT YOU COULD DO

- Assist in the roll-out of new data entry technologies
- Provide feedback in regards to the current data collection process
- Support the organization's efforts to move from a physical server to cloud
- Work closely with GI's Data Specialist to train all 270+ adult volunteers in current data entry systems, including Salesforce

PERFECT IF YOU CARE ABOUT...

- Youth Development
- Education
- Adult civic engagement
