

# San Francisco Resource Guide

In our diverse community, we recognize that many children and their families have questions, concerns and fears about the impact of the Trump administration. Our city stands by its values to provide safe schools and neighborhoods for all. In San Francisco, we stand as one.

## Immigration and Sanctuary City Policies

San Francisco is committed to our sanctuary city policy. City employees will not report San Francisco residents or their confidential, identifying information to federal immigration agents when they go to a public health clinic, enroll their child in school, report a crime or seek out other City services. Free and low-cost immigration services are
