Call to order and roll call

- Superintendent Dr. Vincent Matthews called meeting to order at 4:15 pm and welcomed the Our Children Our Families (OCOF) Council. He thanked Council members for their continued commitment to this critical work.
- Dr. Laurie Scolari took roll call and reviewed the agenda.
- Mayor Edwin M. Lee recognized the Council for their commitment and hardwork. The Mayor noted that the work of ensuring that our most disconnected, underserved families receive the support that they deserve will be our most difficult, yet most critical work. The alignment of our City, our school district and our communities has increased and will create institutional change - the change that we need - I understand that tonight we will hear an update as to where we are with all of that work, very exciting indeed.

Public Comments on Any Item Below as for “ Discussion Only”

- No Speakers for public Comment

Training and Capacity Building Work Group (Discussion and Action)

- Dr. Laurie Scolari provided context and background of the Training and Capacity Building work group.
- Tri Chairs Jill Hoogendyk, Katie Albright and Dr. Ken Epstein introduced the trainings categories and its definitions.
 - A Healthy City: Healthy Families and Multigenerational Family Supports
 - A Healing City: Resiliency-Focused and Trauma Sensitive
 - A Pathway City: Promoting Postsecondary Opportunities

 - A Welcoming City: Cultural Humility and Responsiveness
- Superintendent Dr. Vincent Matthews noted the robust and engaged discussion around the next phase of our work.
- Open the floor to entertain any motions related to the plan by the Council Members.
Dr. Matthews calls on a council member who raises their hand to present a motion. Is there a second?
- Dr. Matthews calls on a second council member who seconds the motion.
- Please raise your hand high if you vote IN FAVOR on the question. 27 Council members raised their hands in favor.
- Please raise your hand high if you vote OPPOSED to the question. One Council member opposed.
- The motion has passed.

Coordinated Services and Targeted Resources (Discussion Only)

Dr. Vincent Matthews noted that the Coordinated Services and Targeted Resources Work Group is helping us develop an approach for coordinating publicly funded services across the city. We will hear about the direction these efforts are headed in this year and we will also hear a brief update on the data sharing effort from Lyslynn LaCoste Director

of BMAGIC who also represents the Public Education Enrichment Fund and the Community Advisory Committee seat , Aumijo Gomes Director of Programs and Planning with the Department of Children Youth and Families and and Dr. Roderick Castro- Director of State and Federal Programs for SFUSD.

- **Lyslynn LaCoste, Aumijo Gomes, and Dr. Roderick Castro**
