President's Message

One of the key attributes of our Club is fellowship and networking with your peers, leaders in the business and philanthropic community, and friends. Join us this week for a Rotary Happy Hour at Jimmy Didden's home and consider inviting guests and friends for food, drinks, fun – and to learn about the great work we do at Rotary.

Last Week

Our Club honored RI President Ian and Juliet Riseley with a \$200 contribution to their Rotary Ian and Juliet Endowment Fund. Another \$1,500(appx) was added by generous Rotarians and guests. RI President Ian presented John Hanson with a special gift, and Paul Harris Fellow awards to Chris Jones, Heather Hanson(MBRC) and David Trone. Thanks to DG Greg for arranging RI President Ian's visit.
