Dr. Bob Dodge is the Co-Chair of the Security Committee of Physicians for Social Responsibility (PSR) – USA and President of PSR - Los Angeles. He successfully lobbied for the United Nations Treaty on the Prohibition of Nuclear Weapons and helped organize the US Back from the Brink campaign, which endorses the UN Treaty and calls for specific steps to lower the risk of nuclear war.

Vicki Elson is a co-founder of NuclearBan.US, which supports cities and states in aligning with the 2017 UN treaty to ban nuclear weapons. "Treaty Alignment" includes boycotting and divesting from companies that make and maintain nuclear weapons and prohibiting their activities within a city or state's jurisdiction and control.

Beth Norman is a financial advisor at RBC Wealth Management with extensive experience in socially responsible investment.
