

Lily Garay is a singer/songwriter based in the foothills of the Blue Ridge Mountain in Central Virginia. She brings a soulful vibe and beautiful energy to her music. Known for her authentic & soulful vibe, Lily Garay has been referred to as one of the most inspirational singer/songwriters of our time. She aims to encourage others with the message that, "every day is a new opportunity to *be bold, make a change, & thrive* by being someone's light, astonishing minds, & inspiring souls."

With songs in English & Spanish, Garay's music is appealing to both cultures. Lily is a dedicated entrepreneur & philanthropist with her first EP "**My Heart Beats**" released in 2012 on iTunes, Spotify, Google Play, etc. She has also released 2 singles ("**Reina**" & "**My Cross**") since then.

**What the Press is Saying:**

"If Coran Capshaw knows what's best, he'll negotiate an agreement with Lily Garay before she graduates high school. Ms. Garay is a singer of pop music, but says her take on the genre is a far cry from Miley Cyrus and her naughty dancing teddy bears."
