

The Marvin Byer Scholarship

We are pleased to announce the 2015 Marvin Byer Award. The purpose of this scholarship is to honor and assist qualified students who are majoring in food science, packaging, or related areas.

CRITERIA:

- The student must be a United States citizen or a United States permanent resident.
- The nominee must be majoring in food science, packaging, or related areas in the broad area of food.
- Must already be enrolled in a 4-year undergraduate program and classification of sophomore or junior in the spring semester (at least 30 semester hours earned or having two remaining semesters).
- Must be a full-time student during semesters for which scholarship is funded.
- The student must maintain a 3.0 or higher average. Transcripts must indicate cumulative grade point average
- A letter of recommendation of the nominee by a professor in the academic major must accompany the nomination. The attached nomination form must accompany all nominations.

Application Process:

- Completed nomination form.
- R&DA does not require official transcripts. You can submit transcripts printed from your college or university website.
- Letter of recommendation.
