

The 12th Annual Crusader Run will take place on Friday, September 30th (rain date Friday, October 7th.) Approximately 500 students and staff will participate throughout the day. This is our major fundraiser where we raise money to make improvements for the school in order to support education and building updates that enhance the learning environment for our children. This year's goal is \$20,000 to begin to replace the lockers throughout the school. Our current lockers are very old, and replacement parts are difficult to find. Parent Action Team (formerly PTL) is looking for businesses or families to sponsor Crusader Run by making a monetary donation. Students will also be given an opportunity to collect pledges from family and friends as the event approaches.
