

SEMEJA

asian kitchen

Pulling away from extravagant and over-the-top hotel food, SEMEJA believes in pairing back, serving only the essentials of daily comfort food done right.

Deeply rooted within the Asian culture, rice is the basic ingredient for most of our dishes.

SEMEJA, which means - "one table" (satu meja) reflects the idea of sharing and togetherness. This is the best way we believe food should be enjoyed, with a great companion.
