Welcome home

We invite you to feel at home, savor delicious food and drink, and meet our resident entrepreneurs.

The Wynwood Yard is a culinary incubator.

It's a community who are hustling to make their livelihoods in innovative ways.

Most days you can meet them face-to-face here at

The Yard as they prepare dishes or tend the garden. You can also meet art, design and cultural entrepreneurs as they forge ahead with their start-ups at The Wynwood Yard.

KICK OFF YOUR SHOES, EMBRACE YOUR INNER CHILD, AND TAP INTO YOUR MOST INSPIRED, CREATIVE SELF. THIS MAGICAL SPACE WAS CREATED FOR YOU.

our story

The Wynwood Yard was conceptualized as a launchpad for local entrepreneurs seeking less expensive and more iterative approaches to launching their businesses.

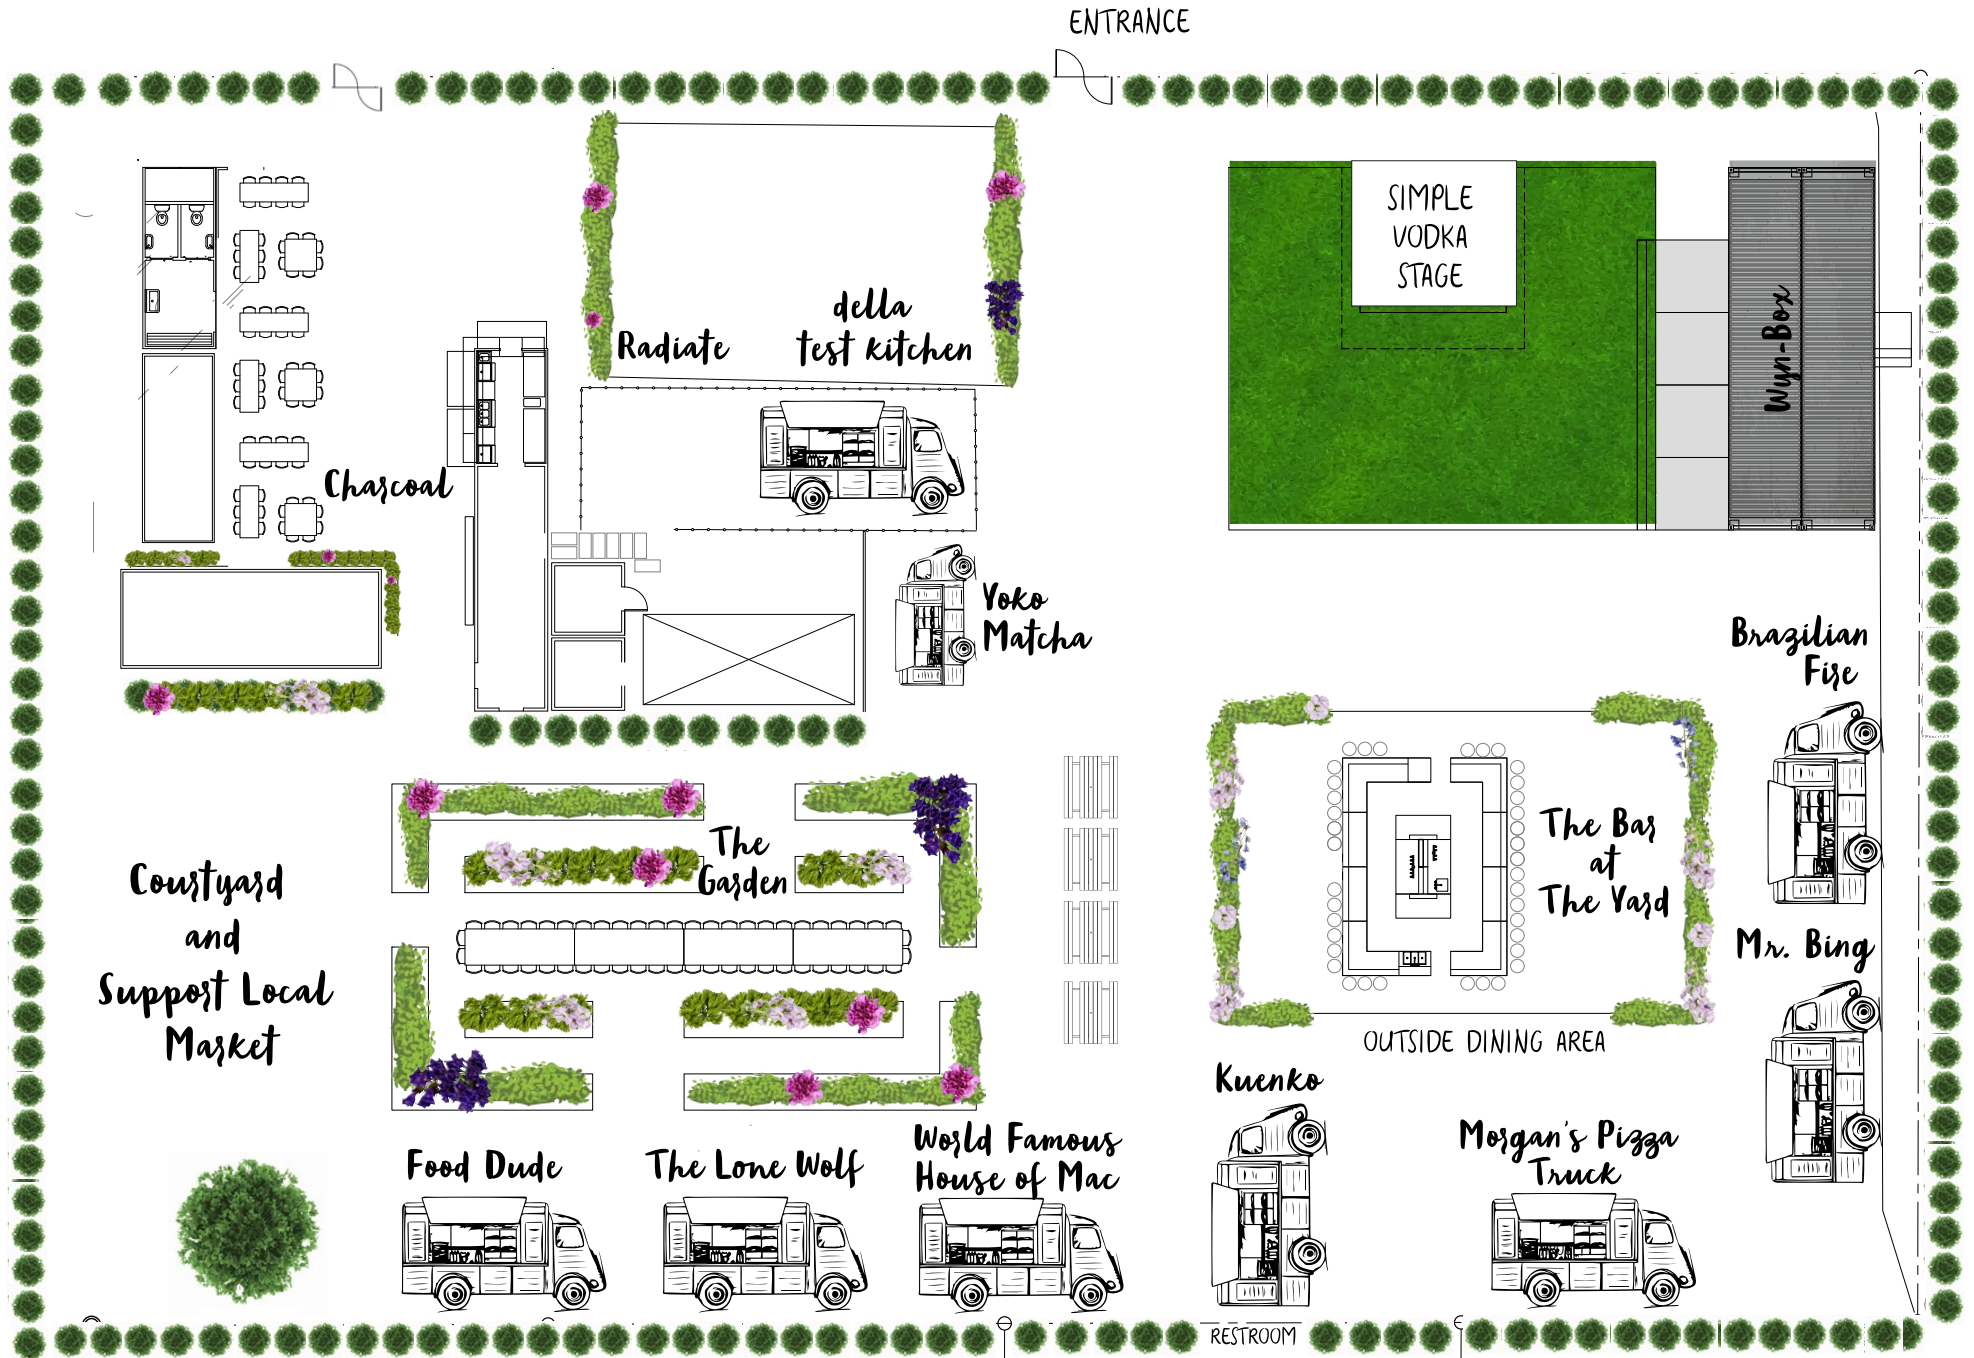

The vision for The Wynwood Yard was inspired by food trucks, culinary incubators, food halls, and pop-up concepts around the world.

The ecosystem was launched in late November 2015 by a village of strong hands and beaming smiles.

Our grassroots team transformed five vacant lots on Wynwood's NW 29th Street into a food yard, events-and-live-music venue and all-day hangout space that brings locals and visitors a smorgasbord of food, fitness, music and other cultural activities.
