All about colour

Everybody is individual and with so many colouring techniques and options available it can sometimes be confusing. Sessions will take the time to advise you on the best option for you and your hair.

To the right is a quick reference guide.

COLOUR WEAVE

An expert blend of multi-coloured high and low lights.

PERMANENT COLOUR

Mix to various depths and intensities, permanent colour provides long lasting colour with maximum coverage. Covers grey hair 100%.

SEMI-PERMANENT COLOUR

Designed to add tone and give hair gloss and shine all over. Also ideal for hair that is starting to show signs of grey. Lasts 6-8 weeks.

SYMBIO GLOSS COLOUR

Quick injection of colour for Gloss & Enhancement for your existing tones. Lasts 6-8 weeks.

INOA COLOUR as seen on TV

Odourless and 100% ammonia-free.

INOA is a new permanent hair colour rich in oil, which optimises the effectiveness of the hair colour system without the need for ammonia. INOA ensures an exceptionally even colour from root to tip and also perfect coverage of white hair.

CONSULTATION

This is when we remove the confusion and risk for you. This complimentary service will offer you the most professional and up to date advice in the area.

COLOUR PATCH TEST

Your health and safety in the salon is our first priority. Before your first hair colour, we colour patch test to ensure there is no risk of reaction. This test is done 48 hours before treatment and can be done during your initial consultation.
