“Each Alcoholics Anonymous group ought to be a spiritual entity having but one primary purpose — that of carrying its message to the alcoholic who still suffers: — Tradition Five (the long form)

Out membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group they have no other affiliation.” — Tradition Three (the long form)
