## pretty in pink

Blush dresses have been hot for a few seasons, but a sultry gown in cherry-blossom pink will set your bridal look apart. Pair with a matching veil for an ultra-romantic feel. Dress, \$12,500, veil, \$750, Naeem Khan, [BergdorfGoodman.com](http://BergdorfGoodman.com); headpiece, \$998, [JenniferBehr.com](http://JenniferBehr.com); earrings, \$2,437, [SupremeJewelry.net](http://SupremeJewelry.net) >>

### painterly perfection

A floral gown doesn't have to be totally over the top to stand out. For a subtler take on this trend, consider a watercolor print in a soft shade like wisteria blue. Dress, Lazaro, similar styles at [JLMCouture.com](http://JLMCouture.com); engagement ring, \$27,499, [Ritani.com](http://Ritani.com); earrings, \$6,500, [FinnJewelry.com](http://FinnJewelry.com); necklace, \$768, [JennyPackham.com](http://JennyPackham.com)
