

# KID \$ING

**KID \$ING** program at **Heartland Youth Choir** provides opportunities for our youngest singers to experience music during their most formative years.

During this 8-week program, children ages 4 – 5 will attend a 40-minute music session (10:00-10:40 am) each Tuesday with an adult. Sessions are limited to 15 students and take place at Windsor Heights Lutheran Church, 1240 66 St., Windsor Heights, Iowa. Activities include:

- Singing moving and playing instruments.
- Learning steady beat through folk songs and poems.
- Experience artfulness through classical music and movement.

**Instructor** – **Sandy Miller, Artistic Director of Heartland Youth Choir**, is certified in the First Steps Program through Silver Lake College. She has Mastery in the Kodaly method of teaching music and has taught pre-school for children in Johnston.

**Participants** – **ages 4-5 with an adult** – We believe that musical play with the adult in their lives is an invaluable tool in creating a bond with the child. It also greatly encourages musical fun and imaginative playtime.
