Culinary Business Incubator Workshops Summer – Fall 2017

Every other Saturday from August 12 to October 21, 2017
Time: 10:00 am - 2:00 pm

These workshops are designed for a range of participants - from the novice culinary entrepreneur to the burgeoning and/or home-based business owner - with the desire to grow their culinary concepts into viable and profitable businesses within the city of Gary and throughout NWI. Workshops are designed to help participants understand the various relational aspects of business partnerships, customer relationships, and financials and budgeting. There may also be opportunities to experiment with your business concept via a Pop Up Cafe and to pitch your business to investors.
