Assistant Superintendent of Human Resources, he/she may appeal to the Superintendent. The unit member may be accompanied by an Association representative, if he/she so desires. Upon request, the Superintendent shall provide the unit member with a written statement of the reasons for the involuntary transfer or reassignment.

- E. Involuntary transfers or reassignments because of change in enrollment or other situations may be made at any time during the school year. However, when such transfers or reassignments are necessary, the following procedures will be followed:
1. Advance notification will be given the unit member being transferred, such notification to be given not later than seven (7) school days immediately preceding the unit member's day of detachment.
  2. When a need for a transfer exists, the number of times a unit member has previously been transferred or reassigned will be reviewed. Primary consideration shall be given to those unit members who have not been recently transferred or reassigned.
  3. Upon request, the receiving principal shall permit the unit member being transferred one day of instruction free duty time for preparation and orientation in the receiving school.
  4. If a transfer occurs after students have begun the school year, the site administrators at the sending and receiving schools shall each permit the unit member getting transferred a day and one-half (1½) of instruction free duty time for preparation, totaling three (3) full days with an additional day possible at the discretion of the Superintendent.

2. A catastrophic illness/injury is defined to mean an illness/injury that is expected to incapacitate the unit member for an extended period of time and would require the unit member to take extended time off from work which creates a financial hardship for the unit member in that he or she has exhausted all sick leave and other paid time off.

- B. The total number of days used for Personal necessity leave in any school year may not exceed seven (7). Acceptable reasons for the use of personal necessity shall include:
  - 1. Death of member of the immediate family when the number of days of absence exceeds the limits set by bereavement leave provisions.

  - E. "Personal necessity" leave may be allowed for other reasons at the discretion of the Superintendent or designee. Leave for personal convenience, civic or non-emergency reasons or circumstances created by the choice of the unit member does not constitute personal necessity leave.
  - F. In no case shall personal necessity leave be used for:
    1. Extension of a school holiday or vacation.
    2. Extension of an approved vacation.
    3. Personal vacation when not provided under the terms of employment.

    5. Convention related to unit member's avocation or religion.
5. Pregnancy Leave
- A. Unit members may use sick leave as set forth in this Article for disabilities caused or contributed to by pregnancy, miscarriage, or childbirth, and recovery therefrom. The length of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the unit member and her physician.
6. Family Medical Leave
- A. It is the intent of this provision to be consistent with the Federal Family Medical Leave Act of 1993 (29 U.S.C. § 2601 et seq.) and the California Family Rights

Act of 1991, as amended October 5, 1993 (Cal. Govt. Code § 12945.2). It shall be interpreted so that there will be no violation of state or federal law.

B. Full-time certificated employees with more than twelve (12) months of continuous service with the District shall be granted an unpaid family care and medical leave for up to a total of twelve (12) work weeks in a school year (July 1 through June 30) pursuant to the requirements of this provision. Part-time certificated employees who have completed at least 1,250 hours of service in the twelve (12) months preceding the leave shall be entitled to the same benefit. For purposes of this provision, the term “family care and medical leave” means either (a) leave for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption of the child or foster care of the child by the employee, within one year of such birth or placement; (b) leave to care for the employee’s spouse or properly registered domestic partner, child or parent with a serious health condition; or (c) leave because of a serious health condition of the employee that makes the employee unable to perform the functions of his or her position, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.

C. For purposes of this provision, the term “child” means a biological, adopted, or foster child, a step-child, a legal ward, or a child of an employee standing in loco parentis who is either (a) under eighteen (18) years of age or (b) over eighteen (18) years of age and incapable of self-care because of a mental or physical disability.

For purposes of this provision, the term “parent” means biological, foster, or adoptive parent, a stepparent or a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child.

For purposes of this provision, the term “serious health condition” means an illness, injury, impairment, or physical or mental condition which involves either of the following:

1. Inpatient care in a hospital, hospice, or residential health care facility; or
2. Continuing treatment or continuing supervision by a health care provider.

For purposes of this provision, the term “health care provider” means an individual holding either a physician’s and surgeon’s certificate issued pursuant to applicable law, or an osteopathic physician’s and surgeon’s certificate issued pursuant to applicable law, or an individual who has been determined by the United States Secretary of labor to be capable of providing health care services under the Family and Medical Leave Act of 1993.

D. An unpaid family care leave shall be treated as any other unpaid leave. During an unpaid family care leave an employee shall retain employee status with the

district, and such leave shall not constitute a break in service. An employee returning from an unpaid family care leave shall have no less seniority than when the leave commenced.

- E. If the employee learns of facts necessitating a family care and medical leave more than thirty (30) calendar days prior to the time the leave is needed, the employee shall provide written notice to the District immediately. A minimum of thirty calendar days written notice is required.
- F. If the employee learns of facts necessitating the family and medical care leave less than thirty (30) calendar days prior to the time the leave is needed, the employee shall provide written notice to the District as soon as possible. The employee is required to provide the District with written notice within five (5) working days of learning of the need for the leave.
- G. If the employee's need for the leave is foreseeable due to a planned medical treatment or planned supervision of the employee, or that of a child, parent, spouse or properly registered domestic partner with a serious health condition, the employee shall consult with the District regarding the scheduling of the treatment or supervision so as to prevent undue disruption to the operations of the District. Any scheduling of treatment or supervision shall be subject to the approval of the health care provider of the individual with the serious health condition. In any event, thirty (30) calendar days written notice is required.
- H. The District requires that an employee's request for a family medical leave be supported by a written certification issued by the health care provider of the individual family member requiring care.
  - 1. If the employee is requesting the leave to care for a child, parent, spouse, or a properly registered domestic partner, with a serious health condition, the certification shall include:
    - a. the date on which the serious health condition commenced;
    - b. the probable duration of the condition;
    - c. an estimate of the time that the health care provider believes the employee needs to care for the individual requiring the care.
    - d. a statement that the serious health condition warrants the participation of the employee to provide care for the employee's child, parent, spouse, or properly registered domestic partner.
  - 2. If the employee is requesting the leave for his or her own serious medical condition, the certification shall include;

- a. the date on which the serious health condition commenced;
- b. the probable duration of the condition;
- c. a statement that, due to the serious health condition, the employee is unable to perform the function of his or her position.

If additional leave is requested beyond the period stated in the certification, the District may require the employee to obtain recertification in accordance with the procedures set forth above.

- I. As a condition of an employee's return from leave taken because of the employee's own serious health condition, the employee shall obtain certification from his or her health care provider that the employee is able to resume work.
- J. An eligible employee may elect, or the District may require the employee, to substitute accrued paid leave such as sick leave, differential pay sick leave, or any other paid leave for any part of the twelve (12) work week period.
- K. Family medical leave taken because of the serious health condition of the employee or the employee's spouse or properly registered domestic partner, child, or parent may be taken intermittently or on a reduced schedule leave when medically necessary. Intermittent or reduced schedule leave shall not result in a reduction of the total amount of family care and medical leave to which the employee is entitled pursuant to state and federal law. Leave taken because of the birth of a child or placement of a child with the employee shall not be taken intermittently or on a reduced schedule leave unless expressly agreed to by the District and the employee.
- L. If an employee requests intermittent leave, or a reduced schedule leave, the District may require the employee to transfer temporarily to an available alternative position. The alternative position must be one which the employee is qualified for, which has equivalent pay and benefits, and better accommodates the recurring periods of leave than the employee's regular position.
- M. During any period an employee takes unpaid family care and medical leave the District shall maintain and pay for coverage for current health and welfare benefits for a maximum of twelve (12) work weeks. The District may recover the premium that it paid as required by this provision for maintaining coverage for the employee under the group health plan if both of the following conditions occur:
  1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired.
  2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles

the employee to family care and medical leave or other circumstances beyond the control of the employee.

- N. If both parents are employed by the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents family care and medical leave totaling more than twelve (12) work weeks within a school year (July 1 through June 30).
- O. Leave taken under the pregnancy disability provision set forth at provision 5 runs concurrently with family care and medical leave under federal law, but not family and medical leave under California law. Consequently an eligible employee may take a pregnancy disability leave of up to four (4) months and family care and medical leave of up to twelve (12) work weeks, for a combination of four (4) months plus twelve (12) weeks (approximately seven (7) months).
- P. Leave taken under the industrial accident or illness disability provision set forth at provision 2 runs concurrently with family care and medical leave under both federal and state law. An eligible employee may take a combined industrial accident or illness and family care and medical leave for a maximum total of twelve (12) work weeks in a school year (July 1 through June 30).

7. Uncompensated Leave

- A. The Board may consider on an individual basis a request by a unit member for an uncompensated leave of absence of fifteen (15) working days or more.

fifteen (15) working days to the unit member's supervisor or principal thirty (30) calendar days prior to the desired commencement of the leave.

D. Period of Leave

An uncompensated leave of absence of fifteen (15) working days or more may be granted by the Board for a period up to one (1) school year. A unit member may request an extension of this uncompensated leave for an additional period of time. Any uncompensated leave of absence request for less than fifteen (15) working days in a school year is granted at the discretion of the supervisor or principal and must be submitted on the appropriate Absentee Report/Leave Request form. Should the supervisor or principal deny the request, the unit member may file a written appeal with the superintendent.

E. Commitment of Unit Member

The unit member granted an uncompensated leave shall inform the Board by April 1, as to his/her intentions for the following year.

F. Commitment of Employer

G. Effect of Leave on Salary Increments and Retirement

1. The leave of absence shall be considered as time in service to the District for salary schedule purposes, and the unit member shall not suffer any loss of increment or class changes due him/her. Further, he/she shall be subject to the existing salary schedule upon his/her return.
2. The leave of absence shall be considered as time in service in the District for retirement purposes. Retirement deductions will be made in proportion to the salary received.

### EVALUATION PROCEDURES

1. The National School District evaluation process adheres to Section 44662 of the California Education Code, SB 813 (Stull Act), which includes evaluation of the progress of pupils towards standards of expected pupil achievement; instructional techniques and strategies; adherence to curricular objectives; and establishment and maintenance of a suitable learning environment. The District shall evaluate and assess employee competency as it reasonably relates to these areas using the following California Standards for the Teaching Profession (CSTP). The CSTP correspond to the criteria established in the Education Code in the following manner:

Standard 1: Engaging and Supporting All Students in Learning

*Stull Act: Instructional Techniques and Strategies*

Standard 2: Creating and Maintaining Effective Environments for Student Learning

*Stull Act: Suitable Learning Environment*

Standard 3: Understanding and Organizing Subject Matter for Student Learning

*Stull Act: Adherence to Curricular Objectives*

Standard 4: Planning Instruction and Designing Learning Experiences for All Students

*Stull Act: Instructional Techniques and Strategies*

Standard 5: Assessing Student Learning

*Stull Act: Pupil Progress Towards Expected Achievement*

Standard 6: Developing as a Professional Educator

*Stull Act: Professional Growth*

2. Components of the Evaluation Process  
The evaluation procedure may consist of the following:

- A. Formal Observation: A scheduled written observation of at least thirty (30) minutes that shall include a pre-conference before and a post conference after the observation. A copy of the Formal Observation Report shall be given to the employee at the post conference which must be held within ten (10) working days of the date of the observation. A written rebuttal to the Formal Observation Report may be made by the employee within ten (10) working days after receipt of said report which shall be attached to the Formal Observation Report.

- B. **Informal Observation:** An unannounced written observation of at least thirty (30) minutes that shall include a post conference for non-permanent teachers and may include a post conference for permanent teachers if requested by the assigned evaluator or teacher. A copy of the Informal Observation Report shall be given to the employee within ten (10) working days of the date of the observation. A written rebuttal to the Informal Observation Report may be made by the employee within ten (10) working days after receipt of said report which shall be attached to the Informal Observation Report.
  - C. **Walkthrough:** An unannounced visitation of less than thirty (30) minutes, the substance of which may be used in the summary evaluation if it is shared in writing with the unit member within five (5) working days of the date of the walkthrough visitation. No conference will be held unless requested by the teacher or the assigned evaluator. A written rebuttal to the Walkthrough Report may be made by the employee within ten (10) working days after receipt of said report which shall be attached to the Walkthrough Report.
  - D. **Summary Evaluation:** A written performance evaluation which culminates from formal observations, informal observations, and written walkthrough reports. A written rebuttal to the Summary Evaluation Report may be made by the employee within ten (10) working days after receipt of said report which shall be attached to the Summary Evaluation Report.
  - E. **Alternative Evaluation:** A process designed to encourage creativity and innovation in support of instruction and professional growth. The process offers to unit members an alternative to the standard evaluation process when they have demonstrated effective performance of the California Standards for the Teaching Profession and the California Content Standards. The process is flexible in order to encourage unit members to grow in areas of interest that promote and relate to student learning and instructional leadership through individual or group efforts. The goals, objectives, projects, and criteria established under alternative evaluation serve as the certificated employee performance evaluation. The process is structured to strengthen cooperative collegial relationships.
3. **Timelines/Timeframes**

In the event that a unit member does not report to work on the first working day of the school year, the timelines in Section 11.3 shall be adjusted accordingly, beginning with the unit member's first working day of that school year.

- A. **Non-permanent**

1. Each non-permanent unit member shall be given a copy of the California Standards for the Teaching Profession within fifteen (15) working days of the first day of school and shall be informed of the evaluation procedures and of the assigned evaluator. If circumstances provide the potential for an additional administrator to conduct observations of a unit member as part of the evaluation process, the designated evaluator shall specifically name such administrator and describe to the unit member the specific role that the administrator shall assume in the evaluation process. The Summary Evaluation shall be completed by the Principal. No later than the forty-fifth (45<sup>th</sup>) working day, a preliminary conference shall be held between the assigned evaluator and the unit member in order to determine area(s) of focus and to schedule formal observations. A non-permanent unit member shall receive at least four (4) observations annually including at least one (1) formal observation by the assigned evaluator. The unit member may request that one or more of the remaining three observations be formal observations.

Assigned evaluators will make informal observations and walkthrough visitations throughout the year. At least two (2) observations shall be completed prior to January 30<sup>th</sup> of each school year. The Summary Evaluation shall be completed no later than thirty (30) calendar days prior to the last day of school in the year in which the evaluation takes place. Each non-permanent unit member shall receive a summary evaluation by the assigned evaluator each year.

B. Permanent

1. Each permanent unit member shall be given a copy of the California Standards for the Teaching Profession within fifteen (15) working days of the first day of school and shall be informed of the evaluation procedures including the number of years in their evaluation cycle and of the assigned evaluator. If circumstances provide the potential for an additional administrator to conduct observations of a unit member as part of the evaluation process, the designated evaluator shall specifically name such administrator and describe to the unit member the specific role that the administrator shall assume in the evaluation process. No later than the forty-fifth (45<sup>th</sup>) working day, a preliminary conference shall be held between the evaluator and the unit member in order to determine area(s) of focus and to schedule formal observations.
2. Each permanent unit member shall receive a summary evaluation by the assigned evaluator at least every two (2) years. However, if the employee has (a) been with the District for at least ten (10) years; (b) meets the definition of “highly qualified” as defined by

the No Child Left Behind Act; and (c) has demonstrated “satisfactory/proficient” performance in all areas on the three (3) most current summary evaluations, then these evaluations shall take place every three (3) years, if mutually agreed upon by the assigned evaluator and the permanent unit member. If denied the opportunity for the three (3) year cycle the employee may request the reasons for denial in a conference with the principal and union representation. The Summary Evaluation shall be completed no later than thirty (30) calendar days prior to the last day of school in the year in which the evaluation takes place.

3. A permanent unit member shall receive one (1) formal observation as part of the evaluation process. One (1) additional formal observation may occur if deemed necessary by the evaluator or unit member.
4. A permanent unit member shall also receive one (1) informal observation as part of the evaluation process. One (1) additional informal observation may occur if deemed necessary by the evaluator or unit member. At least one (1) observation shall be completed prior to January 30<sup>th</sup> of that school year. Walkthrough visitations shall occur throughout the year by the assigned evaluator. Assigned evaluators shall be administrators.

4. Professional Improvement Process for Permanent Unit Members  
The professional improvement process shall follow this format:

- A. Stage 1: If a unit member is on cycle for evaluation and it has been identified through at least one (1) formal and one (1) informal observation that the unit member’s performance warrants a Detailed Assistance Plan (DAP), this shall occur no later than October 31<sup>st</sup> of the year in which the unit member is on cycle for evaluation. The DAP will include an outline of specific performance goals, recommendations, strategies, and the number of observations that shall occur during the year on cycle.
- B. Stage II: A “Needs Improvement” rating of an unit member’s performance in one or more areas in Standards One through Five on the Certificated Summary Evaluation may include the requirement that the unit member participate in a Detailed Assistance Plan (DAP) designed to improve designated areas of the unit member’s performance. DAP shall continue for up to one year or until such time that the unit member receives a proficient Summary Evaluation. If at the end of the current school year, the unit member receives an “unsatisfactory” on the Summary Evaluation, said unit member shall move to Stage III.

- C. Stage III: A permanent unit member who has participated in a Detailed Assistance Plan (DAP) for up to one year and who has subsequently received an “unsatisfactory” rating on the Summary Evaluation Report shall be required to participate in the Peer Assistance and Review (PAR) Program. When any permanent unit member has received an unsatisfactory evaluation, the District shall annually evaluate the unit member until the unit member achieves a proficient summary evaluation or is separated from the District. An unsatisfactory rating of a unit member’s performance in one (1) or more areas in Standards One through Five on the Summary Evaluation shall include the requirement that the unit member will participate in a program designed to improve appropriate areas of the unit member’s performance, further pupil achievement, and the instructional objectives of the District (PAR). If a unit member is required to participate in PAR, the program shall relate to the unsatisfactory rating.
5. No unit member shall be evaluated regarding the performance of specifically delegated administrative tasks which are not part of the unit member’s regular assigned duties.
  6. No unit member shall participate in the observation and evaluation process of other unit members.
  7. In the formal written evaluation, no negative references shall be made regarding the conduct of the unit member which is the lawful exercise of a constitutional right, civil right, or other right guaranteed by California law.
  8. Both non-permanent and permanent unit members shall have the right to initiate a written reaction or response to the evaluation within ten (10) working days. Such response shall become a permanent attachment to the unit member’s personnel file.
  9. This evaluation process shall be subject to the Grievance Procedure, but the contents of evaluation documents shall not be subject to the Grievance Procedure.
  10. Alternative Evaluation:
    - A. “Alternative Evaluation” may be selected by permanent status unit members who have successfully completed at least two (2) cycles of evaluation as permanent unit members. Mutual consent of the evaluator and the unit member is required to select alternative evaluation as an option. If the unit member and evaluator fail to reach mutual agreement regarding the selection of the alternative evaluation process, the standard evaluation process shall be used.

- B. Prior to October 15<sup>th</sup> of the year in which the alternative evaluation is to take place, the evaluator and the unit member shall meet to review the evaluation process and to complete a Planning and Goals Form.
  - C. Alternative Evaluation encourages the design of personalized systems of evaluation to promote professional growth such as, but not limited to, the following:
    - 1. A project designed to promote professional growth
    - 2. A project which benefits the school and/or district
  - D. At a planning conference, the unit member will collaborate with the evaluator on developing the preliminary evaluation plan, including constraints. Unit members and evaluators are encouraged to be creative and take risks when developing options and to consider a focus on expansion and improvement of skills and/or the program. Within ten (10) working days following the conference, the unit member will provide a final copy of a Planning and Goals Form to the evaluator.
  - E. The unit member will provide a written update to the evaluator by December 15<sup>th</sup> and a second update by March 15<sup>th</sup> of that school year.
  - F. At the conclusion of the evaluation period, the unit member shall provide the evaluator with the appropriate documentation of satisfactory completion of the evaluation plan. The evaluator shall discuss the documentation with the unit member and complete a Narrative Summary Evaluation Report for inclusion into the unit member's personnel file.
  - G. Regular walkthroughs are considered a normal function of general administrative supervision. Site administrators shall continue to provide appropriate feedback to unit members who utilize the Alternative Evaluation Process, though this feedback shall not be included in the Narrative Summary Evaluation.
  - H. While participating in the Alternative Evaluation Process, unit members continue to be responsible for the performance of basic job description requirements and general unit member expectations.
11. Personnel Files
- A. Personnel Files shall mean those files maintained and located in the District Office.
  - B. Materials in the Personnel Files of a unit member which may serve as a basis for affecting the status of the member's employment are to be made available for the inspection of the person involved.

- C. The materials subject to unit member review under Section 11.B are not to include ratings, reports, or records which were (1) obtained prior to the employment of the person involved; (2) prepared by identifiable examination members; or (3) obtained in connection with a promotional examination.
- D. Every unit member shall have the right to inspect such materials upon request, provided that the request is made at a time when such person is not actually required to render instructional services to the District.
- E. Information of a derogatory nature except material mentioned in Section 11.C shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. A unit member shall have the right to enter, and have attached to any derogatory statement, his/her own comments thereon. Such review shall take place during normal business hours, and the unit member shall be released from duty for this purpose without salary reduction.
- F. A unit member may be accompanied by a representative of his/her choice while making an inspection of his/her personnel file. Also, a unit member may authorize a representative to inspect the personnel file in his/her behalf. Such authorization shall be in writing on the appropriate form provided by the District.
- G. Any inspection of personnel records made by a unit member or his/her designated representative shall be made in the presence of the person responsible for the safekeeping of the personnel files.

12. Complaints Which May Affect Unit Member Evaluation

- A. Any complaint made to a Board member or administrator by a member of the public which may affect a unit member's evaluation shall be brought to the immediate attention of the unit member in an informal conference.
- B. The unit member may request a meeting with the involved parties. An Association representative shall be present at said meeting if the unit member requests such participation.
- C. Public complaints shall be processed in accordance with the provisions of Governing Board Policy 5060.

#### 2. Purpose

The purpose of this grievance procedure is to process a grievance and to secure, at the administrative level closest to the aggrieved party, solutions to problems which may arise concerning the interpretation of the terms of this Agreement. The parties agree to keep the proceedings as informal and confidential as may be appropriate at any level of the procedure. The grievance procedure shall not be construed as in any way hindering, discouraging, or denying the settlement of grievance outside the structure of the grievance procedure.

#### 3. General Provisions

A. Since it is important that grievances be processed as rapidly as possible, the time limits indicated at each level should be considered to be maximums, and every effort should be made to expedite the process. However, the time limits specified may be extended by mutual consent in writing.

B. In the event a grievance is filed at such a time that it cannot be processed through all the levels in this grievance procedure by the end of the school year, the time limits set forth herein will be reduced so that the grievance procedure may be completed, if possible, prior to the end of the school year, or soon thereafter as is practicable. The reduction of time limits shall be mutually agreed upon in writing.

- C. If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate supervisor, the aggrieved person shall submit such grievance in writing to the appropriate administrator pursuant to Level One procedures. If the appropriate administrator is the Superintendent, then the processing of such grievance will commence at Level Two.
- D. Decisions rendered at all formal levels of the grievance procedure shall be in writing, setting forth the decision and the reasons therefor and will be transmitted promptly to the aggrieved and to the President of the Association. Time limits for appeal provided in each Level shall begin the day following service of written decision on the aggrieved.
- E. Should the processing of any grievance require that a unit member or an agent of the Association be released from regular assignment, this person shall be released without loss of pay or benefits.
- F. Neither the Board and its representatives nor the Association and any unit member shall take reprisals affecting employment status of any certificated employee or any other participant in the grievance procedure by reason of such participation.
- G. Forms for filing grievances will be prepared by the Superintendent. Copies will be available in each site administrator's office and in the District Office. A form for filing grievances is attached to this agreement marked as (See Appendix).

- I. Any record(s) pertaining to a grievance shall be kept in a grievance file separate from the unit member's personnel file.
- J. No grievance shall be recognized unless it shall have been presented at the appropriate level within thirty (30) duty days after the aggrieved knew, or reasonably should have known, of the act or condition and its aggrieved nature that form the basis of the grievance; and if not so presented, the grievance will be considered as waived. In the event that an aggrieved is absent due to illness or accident during the thirty (30) day duty period, the number of days available for filing the grievance shall be extended to exclude the period of absence.
- K. A decision rendered at any level shall be considered final unless an appeal is registered within the time limit specified. If a decision is not given to the aggrieved within the time limit, an appeal may be taken to the next level.

4. Procedure

A. Level One –Principal or Immediate Supervisor

1. A grievance will first be discussed with the aggrieved's principal or immediate supervisor with the objective of resolving the matter informally.

All other costs will be borne by the party incurring them, including, but not limited to, attorney or other fees for the representative costs of discovery, witness subpoena fees and mileage, expert's consultation and witness fees, etc. When agreed, the cost of transcripts and the court reporter will be borne equally. Release time for witnesses employed by the District shall be limited to that time needed at the hearing.

5. Powers, Duties and Limitations Upon Arbitrator

The arbitrator shall limit his/her opinion to the interpretation or application of the express provisions of this Agreement.
- b. The arbitrator is without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of or contradictory to the terms of this Agreement.
- c. The arbitrator shall not involve himself/herself in, consider, or hear evidence concerning the reasons or causes for dismissal.

## ARTICLE 14

### HEALTH AND WELFARE BENEFITS

1. Effective January 1, 2016 the District's annual maximum contribution per eligible full-time employee to pay insurance premiums for employee selected medical, dental, vision care and life insurance premiums shall be \$12,000. Effective January 1, 2017 the District's annual maximum contribution per eligible full-time employee to pay insurance premiums for employee selected medical, dental, vision care and life insurance premiums shall be \$12,300. This maximum contribution or maximum cap of District contribution may be increased only as the result of future negotiations between the District and the Association. If the costs exceed the specific maximum contribution by the District at any time during the school year, or any subsequent school year, for any eligible full-time employee, the amount over the specific maximum contribution will be automatically deducted from the paychecks of the employee except as provided expressly under the possible "pool" concept set forth in provision 3.

Employees who work less than full-time but who have a regular assignment of at least fifty percent (50%) or more are also eligible for the health and welfare benefits specifically referenced above, but the District shall contribute only a maximum amount equal to a pro-rata amount of the District's annual maximum contribution (indicated in the above paragraph) per eligible full-time employee. If the costs exceed the specific maximum contribution or maximum cap by the District at any time during the school year, or any subsequent school year, for any eligible less than full-time employee, the amount over the specific maximum contribution will be automatically deducted from the paychecks of the employee except as provided expressly under the possible "pool" concept set forth in provision 3.

2. Each eligible employee is required to enroll under current plans for medical insurance, dental insurance (dependent coverage included), vision care insurance (employee only) and life insurance (\$50,000). A properly registered domestic partner of an eligible employee can be reported as a dependent for purposes of benefit coverage.
3. The District on an annual basis, shall establish and implement a "pool" consisting of the District's maximum contribution per eligible employee for current medical, dental, vision care and life insurance plans. The intent of the insurance pool is to provide a funding mechanism to reduce the out of pocket cost to eligible employees for dependent health and welfare insurance coverage. The "pool" is based on the fact that the cost for employee-only coverage for health and welfare benefits is less than the District maximum contribution for a full-time eligible employee, thus, there is a difference between the actual cost of employee-only coverage for a full-time eligible employee and the District maximum contribution or cap. This difference or excess is placed in a "pool" to reduce the out-of-pocket costs for employees, who choose two

party or family coverage, and whose health and welfare benefits cost more than the District maximum contribution. For less than full-time eligible employees, the difference or excess is calculated based upon the pro-rata amount paid by the District for each such employee and the pro-rata amount of any savings or excess.

The District establishes the pool based upon the excess costs saved for eligible employees who choose employee-only health and welfare benefits. The number of eligible employees who enroll during the annual fall open enrollment establishes the District “multiplier” for the total annual District contribution (eligible number of employees “multiplier” x District maximum contribution per employee). A separate account shall be established in the District for this budget purpose. Any and all funds allocated to that account shall be restricted in use for the payment of employee health and welfare insurance premiums. The Association President may request to annually review this account to verify appropriate revenues and expenditures. From the “pool”, premiums for employee-only medical, vision, life, and family dental insurance shall be paid. Insurance premiums for two party and family coverage shall be paid from the “pool” based on the “spread” as described below.

The excess costs saved are proportionately “spread” to eligible employees who chose two party or family coverage. The “spread” is recommended by the District and is based upon the number of employees choosing two party and family coverage and the costs of such coverages. The “spread” is agreed to by the insurance joint advisory committee.

Excess costs of \$30,000, a “pool reserve” is saved to address the fluctuation during the year in the number of eligible employees and the changes in plan selections made by the employee. In no event shall the District be required to contribute more than the District maximum contribution per eligible full-time employee.

In any subsequent school year if the District’s maximum contribution does not cover the costs for employee only coverage for health and welfare benefits, the pool will not be established. The amount over the specific maximum contribution by the District will be automatically deducted from the paychecks of employees.

The Association shall appoint three (3) representatives to serve on the joint advisory committee whose primary purpose is to monitor the participation and determine the contribution levels of the “pool”. The District shall convene the insurance joint advisory committee at least once annually. The committee also serves as an advisory committee to the parties negotiating teams.

4. Should an eligible employee's employment terminate following the last duty day of the work year and before the commencement of the following work year, such employee shall be entitled to coverage under the employee's current medical, dental, vision care and life insurance plans through September 30 of such following work year.
5. Subject to the conditions of this Section, the District shall contribute up to the maximum amount in Section 1 for employee only medical insurance for any eligible

bargaining unit member who retires from District service after at least fifteen (15) years of full-time service with the District. The medical insurance shall be the same as any provided to current employees. A bargaining unit member must be at least fifty-five (55) at the age of retirement, and the District contribution for medical insurance ceases at sixty-five (65). A retiree may continue to be covered under any medical insurance after sixty-five (65) at the retiree's own cost and as long as the medical insurance provider consents to the continued coverage.

6. The District agrees to pay retired unit members who move from the immediate area to another area, not covered by a District paid medical program, a cash payout equal to the lowest cost medical insurance plan provided to active eligible employees. The eligible retiree must maintain their permanent, legal residence in a geographic area not covered by any of the health plans currently offered by the current collective bargaining agreement. The eligible retiree shall sign a notarized release (See Appendix) and provide the release to the Human Resources Department. This option can only be exercised during the annual open enrollment period. Each eligible retiree shall receive a lump sum annual check from the district on or about October 15<sup>th</sup> of each year in an amount equal to the lowest cost plan provided to active eligible employees. Should negotiations for health benefits extend beyond October 1<sup>st</sup> of any year, a check for the previous year's amount will be sent to each eligible retiree. Once negotiations have been concluded, an additional amount, if so warranted, will be sent. Should the death of the eligible retiree take place during the health plan year, the amount not paid the health plan provider must be returned to the District.

SIDE LETTER OF AGREEMENT  
BETWEEN  
THE NATIONAL SCHOOL DISTRICT  
AND  
THE NATIONAL CITY ELEMENTARY TEACHERS ASSOCIATION

This Side Letter of Agreement ("Agreement") is entered into by the National School District ("District") and the National City Elementary Teachers Association ("Association") to clarify the concurrent use of sick leave, differential illness leave and baby-bonding leave under the California Family Rights Act ("CFRA"), Government Code section 12945.2 and Education Code section 44977.5.

The parties agree to all of the following terms and conditions set forth below.

1. Eligible certificated employees who are granted baby-bonding leave (for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee) under the California Family Rights Act (CFRA) for up to 12 school weeks, may receive "differential pay" during that time in accordance with Education Code section 44977.5
2. If the employee who is granted CFRA baby-bonding leave has earned sick leave remaining at the time that the baby-bonding leave is scheduled to begin, such sick leave shall run concurrently with the baby-bonding leave provided for in paragraph 1 of this Agreement and the 12 week differential pay period provided for under Section 44977.5 shall be reduced by the amount of the fully paid sick leave taken.  
(For example, if an employee has sick leave at the beginning of 12 week baby-bonding leave, it will be utilized and exhausted before the employee begins to receive the differential pay.)

Nothing in this Agreement shall be construed to be a violation of law, rule or regulation of the District, or the collective bargaining agreement between the parties, and neither the fact of nor the contents of this Agreement will be used or presented in any tribunal by either party as evidence against the other of any such violation, except for the purpose of enforcing its terms. This will remain in force until the provisions covering baby-bonding leave can be integrated into the Association Contract.
