President's Message

Welcome Back and Ready to Move Forward

Welcome back, UACT! I hope that your summer was restful and enjoyable and that your school year has gotten off to a great start. As always, UACT is here to serve you should you ever have any questions, concerns or issues. On the back of this sheet you will see the names and emails of those who represent you and to whom you can always feel free to reach out should the need arise.

Since last year, UACT has continued the conversation with the District regarding our position that the District should obtain an assessment from a retirement services agency on the possibility of offering an early retirement incentive plan to our members as a means of saving the District money by allowing those on the cusp of retirement to retire earlier than they had anticipated. The District has responded to say that they will call out for such an assessment in mid-September once staffing is set and they have reliable information for the agency to do number-crunching. We will keep you posted as things proceed.

For those of you planning ahead, CTA's Good Teaching Conference is scheduled for March 16-18. Last year UACT was able to fully fund and send nine teachers to the conference and we plan to do the same this year. As registration is not yet open, please be on the lookout for information from UACT in the coming months as to when we will then begin accepting commitments from members to attend.

I look forward to meeting with you all when I come around to your school during an upcoming lunchtime site visit (check with your site rep for the date) or at any of our upcoming "Coffee On UACT" mornings or "Smoothie on UACT" afternoons where UACT will pick up the bill for your beverage (be on the lookout for a flyer on your school's UACT bulletin board for a list of dates and locations). I wish you all a pleasant and productive school year.

Sincerely,
Randy
