

Membership

Membership is open to those who have an interest in supporting and advancing nursing leadership.

Non-voting corporate membership is available to civic and corporate leaders who have demonstrated a commitment to nursing and nursing leadership in Utah and who have goals consistent with the mission, vision and values of UONL.

Mission & Vision

Mission Statement: Advancing the health of all Utahans through innovation and cultivating excellence in nursing leadership through education, mentoring, leadership development, and professional development.

UONL serves its members through:

1. Leadership cultivation - by providing opportunities for education and skill development, leadership mentoring, network with other nurse leaders, alliance with American Organization of Nurse Executives (AONE), access to resources, and leadership opportunities.
2. Advocacy and Health Policy engagement - by partnering with other nurses and health care organizations, and through up-to-date information about legislative issues, patient advocacy efforts, public relations, and newsletters and other media communication.
3. Workforce development - by fostering collaboration between practice nurse leaders and academic nurse leaders for nursing education, participating in gathering workforce data and projecting future needs, and advancing the profession of nursing.

Membership Categories

Full Membership - \$105/year

A full Member is a nurse who holds:

- The highest level management position(s) in a health care institution or system.
- A line management position with operational responsibilities including patient care and human resource management. This individual may be at the first line management level.
- A position within the health care institution/system with responsibility for specialized administrative duties, but who does not necessarily have accountability for the leadership of a patient

care unit. This could be a case manager or a director for administrative services.

- A position which interfaces with nurses in direct management by providing consultation of staff services. This could be a Clinical Nurse Specialist, a Nursing Consultant, a Nurse Educator, a Director of Nursing Research, or a leader in a nursing agency.
- A nurse aspiring to a nursing leadership position.

Academic Membership - \$105/year

An Academic Member is a nurse faculty member at an accredited educational program who is either in a leadership role in his/her institution or is involved in educating nurses for leadership positions.

Retired Membership - \$65/year

Retired Members are those who have been a past member of UONL and are now retired from practice.

Graduate Membership - \$55/year

A Graduate Member is a nurse who is currently enrolled (at least half-time) in a graduate education program designed for leadership in the health care industry.

Corporate Membership - \$205/year

A Corporate Member is a business or institution which is interested in current nursing and health care advancements. This membership is non-voting.

The strength of UONL is in its membership. UONL is proud to have nurses who specialize in a wide range of leadership roles that include but are not limited to:

- Chief Nursing Officer
- Nursing Division Director
- Front Line Nursing Manager
- House Supervisor
- Clinical Nurse Specialist
- Nursing Educator
- Nursing Faculty Member
- Nursing Care Manager
- Quality Leader
- Nurse Recruiter
- Nursing Consultant
- Director or Leader in Research
- Public Health Agency
- Retired Members
- Nurses in Graduate Study

UONL Board and Committees

The value of membership is enhanced by active participation on the UONL Board and committees. UONL uses face to face meetings, conference calls and electronic communications to connect members.

Each geographical region in Utah has a representative who is a Board Member and conveys the most up-to-date actions and assures communication from the Board to each regional member.

Chairs of UONL committees are elected members of the Board of UONL.

Three committees currently exist within UONL:

- Leadership Cultivation (development, mentoring, network with AONE and UHA, nominations, membership, etc.)
- Advocacy and Health Policy (Legislation, PR, awards, network with other organizations, etc.)
- Workforce Development (nurse educators, workforce data managers, etc.)
