WINE FOR ONE

Steelhead  
VINEYARDS

INTRODUCING THE  
NEXT GENERATION  
OF SUPER PREMIUM  
SINGLE SERVE WINE!

## 2013 CHARDONNAY

*Sonoma County*

### TASTING NOTES

Classic Sonoma aromas and flavors of lemon and green apple with hints of toasted nut and subtle vanilla. Layered and complex with a rich, round mouthfeel and balanced, crisp acidity.

### WINEMAKING

A kiss of French Oak, partial barrel fermentation with a portion of wine aged in the barrel on the lees and 50% malolactic fermentation.

## 2013 MERLOT

*Sonoma County*

### TASTING NOTES

Big and bold with aromas and flavors of ripe plum, black berry with a kiss of spice. Round, balanced tannins and a full textured finish.

### WINEMAKING

Fermentation takes place in a combination of open and closed tanks with daily pumpovers. The wine is then aged for 12 months in a combination of new and used French oak.

### VINTAGE

The 2013 vintage was another great year! The growing season this year was a winemaker's dream: warm to hot days were balanced by cool nights and smaller than average berry size. The final result was beautifully concentrated fruit with great natural balance.

### CONSERVATION EFFORTS

In 1998 we partnered with conservation organizations, including Trout Unlimited, on a successful project to restore Wine Creek (a tributary of Dry Creek) and established Steelhead wine. Steelhead Vineyards is dedicated to creating a better world and donates a portions of its sales to environmental projects. Our continued support of TU is one of these unique partnerships and honors our belief in, and restoration of, Steelhead habitats.
