**ARC, Fresh Milk, Res Artis and Pérez Art Museum Miami Regional Meeting in Collaboration with Cannonball and Videobrasil [more](#)**

*Tilting Axis 2: Caribbean Strategies* explores the current state of cultural work in the Caribbean. Building on the discourse of the inaugural Tilting Axis meeting held in Barbados in 2015, this international event will be held in Miami in 2016. The conference will consider the sustainability of a healthy cultural ecosystem in the Caribbean, often fortified by artist-led initiatives and arts institutions working across the English, Dutch, French and Spanish speaking regions.

**Tilting Axis 2 is free of charge and by invitation only.  
Please RSVP by September 16, 2015 to [tiltingaxis@gmail.com](mailto:tiltingaxis@gmail.com)**

**Upcoming Programming:**

Continuing a partnership with Videobrasil, core partners will present Tilting Axis 1.5 as part of a parallel event during the opening week of the 19th Festival of Videobrasil in October 2015. The platform acts as a midpoint of discourse between Tilting Axis in Barbados and Tilting Axis 2 in Miami.
