

# Talking - Lip Synching

## Step 1

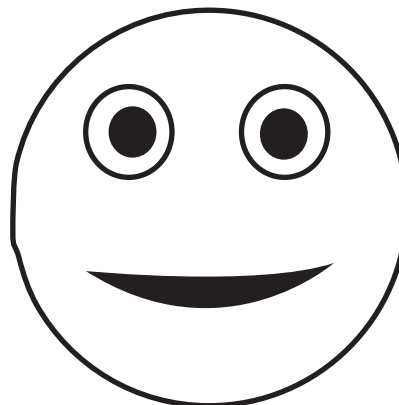

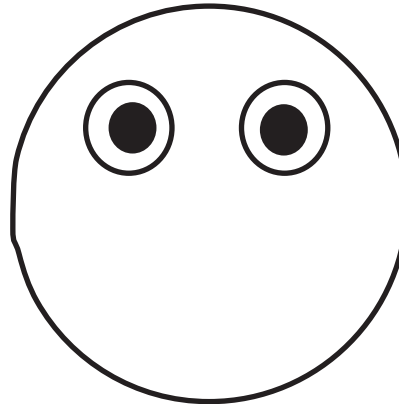

Begin by taking 15 pictures of Mouth 1, this is the shut mouth shape.

## Step 2

Using random combinations of the other mouth shapes, continue to take 1 picture at a time using a different mouth shape for each picture. Have fun turning the shapes upside down to get more variety. Take a picture of a different mouth shape 30 separate pictures.

## Step 3

Finish by taking 15 pictures of Mouth 1, the shut mouth shape.
